Such proxy shall be in writing on a Credentials Registration Form and signed by the officer making the appointment.

The representation of organizations and attendance of officers cannot be accurately recorded if you fail to properly register. Registration for one organization does NOT automatically register you for any other organization. Plural members may register (using a separate form for each organization) for more than one Chapter/Council/Commandery if they are properly qualified and have made arrangements with those organizations. However, a sitting officer (delegate) may NOT proxy for another sitting officer (delegate). You should plan for this registration process before you show up in order to know who is registering for which office (if by proxy).
