BIOGRAPHY OF THE GRAND HIGH PRIEST

Kevin Michael Ritter was born on April 10, 1990, in Springfield, Missouri to parents Timothy L. Ritter and Marline M. Faherty. He has one younger brother, Corey Douglas Ritter, who resides in Blue Springs, Missouri. Kevin grew up in Fair Grove, Missouri, and attended kindergarten through twelfth grade at Fair Grove Schools, where he graduated in May 2008. He then attended Drury University in Springfield, receiving a Bachelor of Arts degree in May 2012. He is currently pursuing a Master of Arts in Communication and expects to graduate in May 2027. While attending Drury as an undergraduate, he met his best friend, closest confidante, and partner, Cecily Karin Robertson. They have been happily unmarried since October 26, 2009. They have two cats (Merlin and Cosmo), a nephew, and two godsons. They currently reside in Springfield, Missouri.

Kevin began his professional career working at Drury University for a year after graduation before moving to American National Property and Casualty Company (ANPAC), where he worked in the Underwriting department for eight years before deciding to return to higher education. He currently works as Assistant Director of Housing Operations at Drury University, overseeing a residence hall, apartment residences, and four fraternity houses, and works to address facilities issues in residential areas across Drury's 90-acre campus. He also co-advises the University's Student Government Association.

He served the Grand Commandery as Assistant Grand Lecturer – South from 2022-2024 and Regional Grand Commander for Region 7A from 2023-2024. He served the Grand Chapter as District Deputy Grand Lecturer of Region 7A and was elected to the Grand Chapter Line in 2018.

Kevin is a 32nd Degree Knight Commander of the Court of Honor (KCCH) and endowed member in the Scottish Rite Valley of Joplin. He served as Commander of Joplin Council of Kadosh in 2019, was a Scottish Rite Fellow in 2016, and currently serves as the Assistant Director of the Wardrobe Committee and Degree Director of the 27th degree (Knight Commander of the Temple).

ADDRESS OF THE GRAND HIGH PRIEST

To the Grand Chapter of Royal Arch Masons of the State of Missouri,

Grand Officers, Past Grand High Priests, Companions, Visitors, and Guests, please accept a hearty welcome to this One-Hundred Seventy-Ninth Annual Convocation of the Grand Chapter of Royal Arch Masons of the State of Missouri. Thank you so much for being here with us this morning, and it is my sincere hope that you will find the session to be enjoyable. To say that it has been an honor and privilege to serve this Grand Chapter as Grand High Priest this year would be an understatement. I am still humbled and in awe of the opportunity granted me by this august body last June. My message for the year was Be Excellent To Each Other, and I hope my term as Grand High Priest has met with your expectations of excellence.

No one can successfully lead alone. There are several who I leaned on this year while serving this Grand Chapter, and I wish to take a few moments to say thank you. Thank you to the officers I had the distinct pleasure of serving alongside this year. You have been a great support to me, and I count myself lucky to have been able to work with each of you during my term. I would also like to thank the Past Grand High Priests for their leadership and advice, particularly Most Excellent Companion Mark A. Bean and Most Excellent Companion Kevin B. Sample. Thank you to Tina Woolsey, Tara Ornsbey, and Debbie Hanson, for the many hours of work each of you have put into this session and for being available any time I had questions. This session would not be a success without you. Thank you to the many Companions I was able to meet and visit with during my travels throughout the state this year – our Chapters are in great hands. Finally, and most importantly, I would like to say thank you to my partner, Cecily Robertson. You have been my rock, my support, my confidante, and most importantly of all, my best friend. I am thankful every day that I get to do life with you and thank you for your love and support this year and every day.

Necrology

We have had many losses this past year. A Memorial Service will be led by VEC Homer I. Markhart Jr our Grand Chaplain, followed by a Hymn by our Grand Chorister VEC Daniel Quesenberry.

Memorial Service

One by one, they pass beyond the veil: the brothers of our adoption and the companions of our choice. A brother whose hand we have clasped in the bonds of fraternal fellowship has now vanished from our sight, and we know that we shall meet him on this earth no more.

The Grand Chapter records that 75 of our chosen companions have now completed their earthly labors. We pause today to reflect not only on their absence but on the enduring impact they have left upon our lives and our Order.

Most notable among these were MEC Charles A. Bottermuller Grand High Priest (1970-1971), who passed to the Celestial Chapter on June 7, 2025 and MEC E. Allen Kohler Grand High Priest, 1975-1976. Their leadership and devotion remain a beacon for us all.

With each passing, we are reminded of our own mortality. We are compelled to examine the structures we have built with our lives and the legacy we will leave behind. "Will you be remembered?" is perhaps the most daunting question we can ask ourselves.

Let us, therefore, hasten to secure the passport of a righteous and upright life. Look to the examples of those who have gone before us, my companions, and let their memory guide our decisions. Work while it is yet day, for the night approaches when no man shall labor further in this earthly realm.

Though they have passed from our sight, we hold the firm belief that their labors continue in that eternal home—a house not made with hands, eternal in the heavens. Let us forever cherish their memory, emulate their virtues, and look forward in faith to that happy reunion in the Grand Chapter on High, where sorrow and parting are known no more.

Let us now rise and observe a moment of silent reflection in their honor.

Amen.

Grand High Priest Coins

I continued the tradition of having a coin struck to commemorate my term as Grand High Priest and directed that the proceeds would be donated to Royal Arch Research Assistance (RARA). I am pleased to report that, at the time of this writing, we have raised over \$2500 to contribute to RARA through coin sales. Thank you, Companions, for your support of our charity and our work to support research in Central Auditory Processing Disorder (CAPD).

Proficiency Card Program

I am also pleased to report that I was able to follow through on the commitment I made when I was installed in this office and received my Grand Chapter proficiency card in March 2026. I would encourage the Grand Officers to work to obtain or renew their proficiency card, as well as encouraging all Chapter officers to work on becoming proficient in opening and closing your Chapters. Our ritual is one of the keystones of our Craft. It is what sets us apart from any charitable or philanthropic organization. The importance of our ritual cannot be understated, and I am so proud of the many Companions who took up the challenge this year and obtained or renewed their proficiency cards.

Time Capsule

I had two occasions to visit the Grand York Rite time capsule in Branson, MO this year, first on July 20, 2025, with my father, and then again on May 31, 2026, with Most Illustrious Companion Dennis W. Houck, Grand Master.

The monument is in good condition, and I really appreciated the opportunity to visit the site, after being unable in years past to find a time to visit with Past Grand High Priests. I noted similar concerns as previous Grand High Priests, particularly observing a few cracks and some spots where the silicone needs resealed. I would recommend that a monument company be contacted to clean and buff the monument, resealed the silicone, and thoroughly inspect to determine whether structural repairs are necessary.

State of the Craft

As I thought of how I would describe the state of our wonderful Craft in this Grand Chapter, I kept thinking of my visits to the local Chapters. While I did not get to visit every Chapter or even every region, each of my visits were warm, welcoming, friendly, and full of fraternal friendship and Brotherly Love. What more can I ask for to sum up the state of our fraternity? Yes, there are some Chapters struggling to confer all four of the Chapter degrees or fill all of the officer stations. Those same Chapters care deeply about each other and each of us. There are Chapters whose officers continue to rely on the ritual book to open and close a stated communication instead of committing their parts to memory. Those same Chapters are dedicated to the communities in which they work and whom they serve. There are Chapters struggling to increase their numbers; those same Chapters have a deep understanding of the meaning of our degrees, even if they do not know every word of the ritual. The Companions I have visited with may struggle from time to time but are committed to this Grand Chapter and this Grand York Rite they love so much. From the experiences I have had during my term, I can confidently say this Grand Chapter is strong, healthy, and vibrant. We still have some work to do, but I am confident that we are moving in a positive direction and am proud to count myself among Companions such as we have here in this Grand Chapter.

Conclusion

Companions, though my term as Grand High Priest comes to an end today, my service to this Grand York Rite will only continue. I'm not going to disappear and have no intention of stepping away from the York Rite. My service moving forward will likely look different, but please don't hesitate to reach out if I can be of assistance. I look forward to new opportunities for service in the years to come, and hope that my message this

year will live on beyond the end of my term. Thank you, once again, for allowing me the distinct honor and privilege to serve you this year.

Take care of yourselves and each other, Companions, and remember to always BE EXCELLENT TO EACH OTHER.

Fraternally and Most Respectfully submitted,

Kevin M. Ritter

Grand Chapter IRS Tax Status

During the period of June 2025 through March 2026, REC Donald MacCormick (Grand Secretary, Grand Chapter of Missouri) worked with Lady April Dodd to complete and submit an IRS Form 1024 (Application for Recognition of Exemption Under Section 501(a) or Section 521 of the Internal Revenue Code) for the Grand Chapter of Missouri. The form had to be filed electronically using the Pay.gov Federal web site. On March 15, 2026, Lady Dodd filed the completed Grand Chapter IRS form 1024 and paid the \$600.00 user fee payment with her personal credit card. Lady Dodd was reimbursed by the Grand Chapter General Fund with Check Number 9085 in the amount of \$600.00 dated March 31, 2026. On May 2, 2026, REC MacCormick received a letter from the IRS Dated April 23, 2026, stating that the IRS had determined that the Grand Chapter was exempt from federal income tax under Internal Revenue Code (IRC) Section 501(c)(10). The letter further stated that the IRS had reinstated the Grand Chapter exemption for the period October 15, 2022, to the effective date of the letter under IRC Section 501(c)(8). The next step in the process for maintaining the exemption will be to file IRS form 990 (Return of Organization Exempt from Income Tax) or IRS form 990-EZ (Short Form Return of Organization Exempt from Income Tax) returns for the fiscal years since the reinstatement date of October 15, 2022. The future maintenance of the exemption will be to file an IRS form 990 or IRS form 990-EZ for each fiscal year.

The Grand York Rite of Missouri IRS Form 990-N (e-Postcard) for the tax year ending March 31, 2026, was successfully filed and accepted by the IRS. In addition, the Grand Chapter Palmyra Chapter No. 2 IRS Form 990-N (e-Postcard) for the tax year ending March 31, 2026, was successfully filed and accepted by the IRS.

In addition, the Missouri Grand York Rite has a Certificate of Incorporation with the Missouri Office of the Secretary of State, with Articles, in all respects, comply with the requirements of Missouri Nonprofit Corporation Law. Status of Liquid Bank Accounts

A proposed legislative item decided during the 2025 Annual Convocation was to discontinue the Grand Chapter Leadership Fund program. Following the passage of the proposed amendment to repeal ARTICLE IX - Revenues of the Grand Chapter, Section 40 - Annual Dues, Paragraph D (the Leadership Fund program), a motion from the floor proposed that the former Leadership Fund money be returned to the Grand Chapter General Fund. The motion passed. Based on the actions taken during the 2025 Annual Convocation and with the approval of the Grand High Priest as well as the Grand Chapter Finance Chairman, I withdrew the former Leadership Fund money from Hawthorn Bank (HB) account 1726 in the amount of \$3,208.26 (without fee) in Cashier's Check 208465 on August 7, 2025. The HB account was then closed. On August 12, 2025, the HB check was deposited in the Commercial Trust Company (CTC) Grand Chapter deposit account. On August 25, 2026, the \$3,208.26 was transferred from the CTC Grand Chapter deposit account to the Jefferson Bank (JB) Grand Chapter General Fund Operating account.

A proposed legislative item decided during the 2025 Annual Convocation was to discontinue the Grand Chapter Triennial Fund program. Following the passage of the proposed amendment to repeal ARTICLE XXVI - Miscellaneous, Section 214 - Triennial Fund, a motion from the floor proposed that the former Triennial Fund money be returned to the Grand Chapter General Fund. The motion passed. Based on the actions taken during the 2025 Annual Convocation and with the approval of the Grand High Priest as well as the Grand Chapter Finance Chairman, I withdrew the former Triennial Fund money from First Mid Bank & Trust (FMB) account 7723 in the amount of \$2,040.28 (without fee) in Cashier's Check 624211 on August 7, 2025. The FMB account was then

closed. On August 12, 2025, the FMB check was deposited in the Commercial Trust Company (CTC) Grand Chapter deposit account. On August 25, 2026, the \$2,040.28 was transferred from the CTC Grand Chapter deposit account to the Jefferson Bank (JB) Grand Chapter General Fund Operating account.

On February 19, 2026, with permission from the Grand High Priest and the Finance Chairman, I withdrew the Grand Chapter Supply Fund money from Mid America Bank (MAB) account 2705 in the amount of \$10,279.55 (without fee) in Cashier's Check 007286. The MAB account was then closed. On February 26, 2026, I opened the new Grand Chapter Supply Fund account 5615 with Jefferson Bank (JB) and deposited the MAB check into the new Supply Fund account. This action was part of the move to consolidate all Grand Chapter accounts in a single banking system under the Central Bank (JB is part of the Central Bank system) in anticipation of the future change in the Office of the Grand Treasurer.

Long-Term Investment of Funds

An issue that carried over from last year was the investment of certain investable monies in long-term investment instruments.

The investable funds across the Grand Bodies are: Jefferson Bank General Fund Hold accounts (JB GrCH GF Hold, JB GrCO GF Hold, & JB GrKT GF Hold), Jefferson Bank Foundation Fund/Charity Endowment Fund Hold accounts (JB GrCH FF Hold, JB GrCO CEF Hold, & JB GrKT CEF Hold), and Jefferson Bank Endowed Membership Fund Hold accounts (JB GrCH EMF Hold, JB GrCO EMF Hold, & JB GrKT EMF Hold).

The investable select funds are: Jefferson Bank GrCH Palmyra Fund Hold account (JB GrCH PF Hold), Jefferson Bank GrKT Holy Land Pilgrimage Fund Hold account (JB GrKT HLPF Hold), and Jefferson Bank GrKT Educational Foundation Fund Hold account (JB GrKT EdF Hold).

On February 20, 2026, the Grand High Priest of the Grand Chapter of Missouri sent a letter dated February 19, 2026, to the Grand Master of the Grand Council of Missouri officially notifying him that the orderly transfer of Grand Council money out of the Grand Chapter's Capital Group (CG1) account was thereby enforceably required. He further stated that the transfer of Grand Council money could be accomplished without any transfer fees.

On February 20, 2026, the Grand High Priest of the Grand Chapter of Missouri sent a letter dated February 19, 2026, to the Grand Commander of the Grand Commandery of Missouri officially notifying him that the orderly transfer of Grand Commandery money out of the Grand Chapter Capital Group 1 (CG1) account was thereby enforceably required. He further stated that the transfer of Grand Commandery money could be accomplished without any transfer fees.

On February 20, 2026, the Grand High Priest informed me by letter dated February 19, 2026, that I was thereby authorized to facilitate moving the shares attributed to the Grand Council and the Grand Commandery, respectively, out of the Grand Chapter's CG1 account to the destinations of their choosing.

On February 19, 2026, I met briefly with Mr. Russ Bell, Vice President, Financial Advisor, LPL (our Investment Banker) concerning the plan to move certain shares out of the CG1 (9778) account to other Capital Group account destinations. On February 26, 2026, I met with Mr. Bell to work on completing the necessary paperwork for the planned transfers.

On March 2, 2026, all Grand Commandery Educational Foundation shares were transferred from the Grand Chapter's CG1 account to the Grand Commandery Educational Foundation's Capital Group (CG3) account by Mr. Bell. On March 9, 2026, all Grand Council shares were transferred from the Grand Chapter's CG1 account to the Grand Council's Capitol Group (CG4) account by Mr. Bell.

The Capital Group 1 (CG1) account now contains only Grand Chapter money. The CG1 account is tied to the Jefferson Bank (JB) Grand Chapter General Fund Operating account (JB GrCH GF Op) for ACH transfers. All purchases are facilitated by Mr. Bell. The purchase limit for CG1 investments is \$100,000.00 per day. In addition, the investment level across the Grand Bodies is sufficient that all purchases can be made at Net Asset Value (NAV) so there are no fees.

On January 26, 2026, I sent an email to EC Terry D. Coppotelli, Investment Chairman, with a recommendation to move \$51,000.00 of Endowed Membership money from the Grand Chapter's Jefferson Bank (JB) Endowed Membership Holding account (JB GrCH EMF Hold) to the Investment Company of America (Am

Inv) in the Grand Chapter's Capital Group 1 (CG1) account. On March 5, 2026, I received authorization from EC Coppotelli to make the investment. On March 24, 2026, \$51,000.00 was transferred from the JB GrCH EMF Hold account to the JB GrCH GF Op account. On March 24, 2026, \$51,000.00 of Am Inv shares were purchased by Mr. Bell in the Grand Chapter's CG1 account.

Grand Treasurer's Office

Your Grand Treasurer and Assistant Grand Treasurer continue to work diligently to bring transparency to the office. We attended the Grand Chapter Grand Officer Zoom meetings. During those meetings, we provided requested financial review briefings to the Grand Officers and answered questions that the Grand Officers asked concerning the finances of the Grand Chapter.

The duties of the Assistant Grand Treasurer during this past fiscal year were monthly reconciliation of the financial spreadsheets, processing of deposit records, and recovery of outstanding check money. The Grand Treasurer and the Assistant Grand Treasurer plan to continue expanding the duties of the Assistant Grand Treasurer during the next fiscal year.

During the 2023-2024 fiscal year, the Grand Treasurer's Office received thirteen banker boxes of historical paper records from the office of the previous Grand Treasurer. The task of reviewing the mountain of documents is daunting and may require years to complete but remains a goal of the Office.

REPORT OF THE GRAND SECRETARY

To the Grand Chapter of Royal Arch Masons of the State of Missouri,

Companions, it has been another busy term in the Grand Secretary's office. I would like to start this report by expressing my thanks to April Dodd for her hard work, diligence, and attention to detail in assisting us in the filing of 1024's with the IRS in order to get the Grand Chapter, Grand Council, and Grand Commandery back in compliance with the IRS. Our non-profit status, as a 501 (c)(10), has been re-instated with the effective date of October 15, 2022, the original date of revocation. All three bodies are now once again tax-exempt. Individual donors to each of the three Grand Bodies can once again deduct contributions made exclusively for charitable purposes as specified in IRC Section 170(c)(4) and meet the other specifications of section 170. As the regulatory landscape continues to become more integrated and complex, we will be reviewing our processes of statutory filing requirements, and may engage external experts to do so, to review our compliance, and ensure we remain compliant in the future.

In reviewing the costs of the Grand Convocation it may be necessary at some point to charge a registration fee to ease the burdens of hosting. We do not expect that to happen soon, the costs of the Grand York Rite Sessions for the next two years in Springfield are likely the lowest we have seen for several years. But, it may be necessary in the future. The meeting space used in each facility is free, but it is supported for a minimum number of room occupancies and meals purchases.

A couple of years ago Russell and Debbie Hanson announced their retirement from their duties with the Grand Chapter, Grand Council, and Grand Commandery. Lady Tara L. Ornsbey will step into Debbie's shoes in 2 years and has been working with Lady Debbie this year, documenting processes, and preparing to take on an ever-increasing workload as training and familiarization progresses. Simultaneously we are examining those processes and preparing to simplify or automate them where possible. We thank Lady Tara for stepping up.

We were saddened to process the consolidation this year of Greenfield Chapter No. 38 with Springfield Chapter No. 15 on December 12, 2025. It is sometimes necessary to consolidate, but it is always a loss especially for an organization with such an exalted history as Greenfield.

Growth Awards

This year our growth awards are based on a slightly different calculation from past years. This year we have decided to base Chapter Growth awards on those factors that we can control, such as suspension, demits, and exaltations. We have no control when someone is called home, so deaths will not be a factor in this years calculations.

There were 82 Exaltations, 55 affiliations, and 17 reinstatements during the 2025 calendar year, leading to an overall decrease in membership of 49 (demitted 84, suspended 40, deceased 79). If we remove those who passed in 2025, there is an overall growth 30. Chapter growth awards can be found in the Report of the Committee of Education.

Fraternally and Most Respectfully submitted,
Donald MacCormick, Grand Secretary

Move that these reports be accepted, subject to correction, and referred to the appropriate committees and to the Grand Officers for follow-up action as deemed necessary.

REPORT OF THE COMMITTEE ON INVESTMENTS

To the Grand Chapter of Royal Arch Masons of the State of Missouri,

Companions, it is with great satisfaction that we report that, at last, all the Grand Chapter's surplus funds have been turned over to the Investment Committee, and all these funds have been placed in investments as designated by the Committee. A special thank you to the Junior Past Grand High Priest, current Grand High Priest, and current Grand Treasurer for accomplishing this long-awaited task. The end of May will mark the closure of this fiscal year. At that time, the invested dollar benchmark will then be set so that we can give periodic updates on investment performance.

In addition to the funds that were allocated prior to involvement of the Investment Committee, the remainder of surplus funds have also been placed in the Capitol Groups funds, with the majority in the Investment Company of America (ICA). This fund has existed for over 80 years, and its objective is long term growth and income. Since its inception in 1934, it has averaged a rate of return of 12.3%. **CAUTION: It is critical to understand that returns will fluctuate.** The average bear market (defined as a 20% reduction in value) occurs approximately every 4 years, with the last one occurring in 2022.

There are several things that could be done to make our ongoing management of surplus funds more efficient. First, the Grand Chapter Finance Committee needs to establish how often it will be moving earnings from the investment account to the operating account. This amount should become evident and consistent over time. Once established, a cash balance in the operating account will prevent us from being forced to liquidate investments during a down market.

Another strategy that should be examined is to utilize the Capitol Groups Money Market Fund to park the Chapter Operating Funds, which are currently held in Jefferson Banks Money Market Account. Although this Money Market Fund is held within an investment firm, it is comprised of the same securities that back a Money Market account, however it generates several times the interest. While there is no bylaw preventing this, there has been hesitation by the Chapter to do this.

Lastly, consideration should be given to changing the Grand Chapter bylaws as to the Treasurers' responsibilities when it comes to the investments. No money should be removed from the Investment Account by anyone other than the Grand Secretary. Due to the sometimes dynamic and fast pace of the stock market, the Investment Committee should be able to speak to, and if necessary, have trades executed independently.

A second option would be better utilization of a non-banking Financial Advisor (FA). Our process of working with the current bank FA is cumbersome due to restrictions placed on us due to FINRA, Jefferson Banks regulations, and our By-law requirements.

A non-bank FA could be given freedom and discretion to manage our portfolio independently under our general instructions and goals. It feels we are limited in the choices we have now. While American Funds new purchases are not charged a commission, the internal expenses charged yearly (12b-1 fees) tend to run higher than some alternatives.

REPORT OF COMMITTEE ON FINANCE AND BUDGET

To the Grand Chapter of Royal Arch Masons of the State of Missouri,

Please see the report of the Grand Treasurer for an in-depth report of the Grand Chapter Finances. With the cooperation of the Grand Treasurer and the Investment Committee we have placed out investments in a position that our money is now working for us.

The Finance Committee met on April 11, 2026, and approved the budget for the 2026-2027 Capitular Year. While investment results are still new, a trend is developing that shows growth in our investments. The Grand Treasurer and the Investment Committee are to be commended for their hard work in putting our funds to their best use.

The Finance Committee has monitored the financial records of the Grand Chapter on a regular monthly basis. This allows us to be completely aware of our current and projected financial position.

Since our last report the Grand Treasurer and the Investment Committee have been able to separate the co-mingled funds of our investment portfolio to separate accounts for each body of the Grand York Rite. This allows for better tracking and record keeping.

We find that the Grand Treasurer and his office are continuing to maintain proper fiduciary standards as they apply to the Grand Chapter.

Move that this section of the Report of Finance Committee be received, approved and printed in the Proceedings, subject to audit.

2026-2027 BUDGET

The Finance Committee met on April 11, 2026, to finalize the budget for the 2026-2027 capitular year, which was additionally approved by the Grand Officers. This growth has allowed us to draw some funds out to supplement our income and provide for a balanced budget. We still see an increase in our expenses, but we can absorb the increase by effective and efficient money management. The pending legislation on the Endowed Membership fund may offer the Grand Chapter additional income as well as passing on funds to the subordinate chapters.

LEGISLATION FOR ACTION AT THE 2026 GRAND CHAPTER CONVOCATION

PROPOSAL No. 1

PROPOSAL TO AMEND THE CONSTITUTION AND BY-LAWS OF THE GRAND CHAPTER OF ROYAL ARCH MASONS OF THE STATE OF MISSOURI TO READ AS FOLLOWS:

(Deletions appear in ~~strike through~~, additions appear underlined)

ARTICLE II Grand Officers

Section 9B. Grand Historian. A Grand Historian shall be ~~elected for a three-year term which shall be subject to re-election for one additional three-year term~~ appointed by the Grand High Priest. The duties of the Grand Historian shall be to collect and assemble historical data pertinent to the Grand Chapter of Royal Arch Masons State of Missouri. Such data shall be published annually in the proceedings of the Grand Chapter. ~~In addition to Proceedings publication, such newly accumulated data will be made available in printed form to each companion attending the Annual Convocation.~~ The Grand Historian will be free to determine his choice of historical data to be compiled each year. The Grand Historian shall be free to publish his assembled data in other publications of Masonic character without prior approval of the Grand Chapter Royal Arch Masons of the State of Missouri. The Grand Historian will receive no compensation ~~but, if he is not a Past Grand High Priest, he shall receive mileage and per diem for his attendance at the Annual Convocation, providing such payments are currently in effect for other Grand Officers.~~ The honorary title of the Grand Historian will be Right Excellent Companion or the highest honorary title held by that individual in the Grand Chapter. (Adopted May 14, 1999)

Statement of purpose

The purpose of this proposed amendment is to provide clarity, continuity, and strengthened structure to the office of Grand Historian, ensuring that the historical record of the Grand Chapter is preserved and communicated in a consistent and meaningful manner. This amendment seeks to:

- Clarify the method of service and term structure of the Grand Historian.
- Reinforce the expectation of annual compilation and publication of historical data.
- Provide continuity in the stewardship of the Grand Chapter's historical archives.
- Ensure that the Companions receive the benefit of the historical materials contemplated by our By-Laws.

The proposed changes are not directed toward any individual, but rather toward strengthening the institutional framework of the office for the long-term benefit of the Craft. By adopting this amendment, the Grand Chapter affirms its commitment to preserving its history, honoring its traditions, and ensuring that future generations may look back upon our labors with clarity and pride.

PROPOSAL No. 2

PROPOSAL TO AMEND THE CONSTITUTION AND BY-LAWS OF THE GRAND CHAPTER OF ROYAL ARCH MASONS OF THE STATE OF MISSOURI TO READ AS FOLLOWS:

(Deletions appear in ~~strike through~~, additions appear underlined)

ARTICLE VXIII

Dues

L. The Grand Secretary shall annually remit to the secretaries of participating subordinate chapters their prorated portion of the earnings of the Endowed Membership fund minus per capita. This is provided that no earnings shall be distributed on any Endowed Membership until after January 1 of the second (2nd) calendar year after such fee, paid in full, is deposited with the Grand Secretary. ~~When an Endowed member dies, the Grand Chapter will continue to receive his per capita, less 20% and his Chapter will continue to receive his prorated earnings, less 20%. The retained 20% will be added to the fund's principal to provide for growth in the fund. Prorated earnings shall be based on the member's chapter dues that existed at the time the individual entered the Endowed Membership Program. Per capita shall be the per capita By-Laws of the Grand Chapter of Royal Arch Masons of the State of Missouri Revised May 18, 2007, Including Amendments and Resolutions as of June 12, 2025, 31 that existed at the time the individual entered the Endowed Membership Program. (Amended May 8, 1986~~
The Endowed Membership Fund shall establish as the Base Principal those funds received by the Grand Secretary from subordinate chapters for the purchase of an Endowed Membership. As new memberships are purchased the Base Principal will increase. At no time shall the fund draw down below this Base Principal.

Distribution of the Investment Growth in the fund shall follow these guidelines. The Investment Committee shall, as soon as practical after January 1 of each year, advise the Endowed Membership Committee the amount of gain or loss in the investments of Endowed Membership Fund.

Any gains accrued will be distributed as follows: First, the current Per Capita will be paid for all living Endowed members by the Grand Chapter. Second, from the remaining funds, 30% will be retained in the Endowed Membership Fund to fortify the continued growth of the fund and become part to the Base Principal. Third, the remaining 70% will be distributed to the subordinate Chapters on a prorated basis for the total number of endowed members, living and deceased that are/were members of that Chapter.

Statement of purpose

The purpose of this amendment is to clearly define, protect, and strengthen the long-term structure and distribution methodology of the Endowed Membership Fund of the Grand Chapter of Royal Arch Masons of the State of Missouri.

This proposal formally establishes the concept of a protected Base Principal, defined as all funds received from subordinate chapters for the purchase of Endowed Memberships. The amendment ensures that this Base Principal shall continually increase as new Endowed Memberships are purchased and shall never be reduced. This safeguard preserves the perpetual nature of the Endowed Membership Program and protects the integrity of the funds entrusted to the Grand Chapter.

Additionally, this amendment provides a clear and orderly framework for the annual distribution of investment growth. It:

- Establishes the priority payment of current Per Capita for all living Endowed Members to the Grand Chapter.
- Retains thirty percent (30%) of remaining gains within the Endowed Membership Fund to strengthen and fortify its continued growth.
- Distributes the remaining seventy percent (70%) to subordinate chapters on a prorated basis for all endowed members, living and deceased, affiliated with each chapter.

By clearly defining principal protection, distribution priorities, and proportional allocation methods, this amendment promotes financial transparency, stability, and responsible stewardship. It ensures the Endowed Membership Fund remains perpetual, equitable, and beneficial to both the Grand Chapter and its subordinate chapters for generations to come.

ARTICLE XXIX
Masonic Membership Solutions (MMS)

Section 223. Chapter Secretary Responsibilities

~~D. Secretaries and IT Representatives shall log in to MMS no less than monthly to maintain access credentials and to make any approved membership changes.~~

Statement of purpose

The purpose of this amendment is to provide reasonable flexibility in the administrative use of the Masonic Membership Solutions (MMS) system by removing an unnecessary mandatory monthly login requirement for Chapter Secretaries and IT Representatives. While maintaining accurate and timely membership records is essential, requiring monthly system access regardless of whether membership transactions or updates are pending places an administrative burden on local Chapters without any benefit. Many Chapters experience periods in which no membership activity occurs, making routine mandatory logins unnecessary.

This amendment does not diminish the responsibility of Secretaries and IT Representatives to promptly process approved membership changes. Rather, it removes a rigid procedural requirement that does not materially improve record accuracy or system integrity. By adopting this amendment, the Grand Chapter promotes efficient administration, respects the time of its officers, and maintains practical oversight of membership reporting.

Administrative requirements should serve a clear operational purpose and not impose obligations that do not contribute to improved governance or recordkeeping.

REPORT OF COMMITTEE ON EDUCATION

To the Grand Chapter of Royal Arch Masons of the State of Missouri,

It was an honor to be appointed chairman of this committee for the past year. The experience and knowledge gained from this committee will help any future Grand Chapter officer as they continue on their way to the Grand East. The committee could not have operated or been successful without the assistance of all the members and so I would like to thank each of them for their contributions and communications throughout the year. No matter how many emails I sent, or the time at which they were sent, they always responded in a timely and supportive manner.

Our first order of business was to update the Distinguished Chapter Award form. In July we made several positive changes to the form. In addition to a few technical and grammatical changes, we amended or added:

- Regional York Rite Conferences changed to the Statewide York Rite Conference;
- Added a section for awarding points for Ritual cards, new or renewals;
- Added a section for presentation of RARA in a symbolic Lodge;
- Combined the sections regarding RARA presentations in the home Chapter.

It was our goal to get this in the hands of all High Priests in the jurisdiction early in the year because we know all High Priests are responsible for tracking the points - not the Chapter Secretary!! With the assistance of the Grand Secretary, this was ready and presented to all Chapters in the beginning of September. This would allow them to begin tracking points as soon as possible. Your Education Committee strongly believes that every Chapter in the state can, and should, earn the Distinguished Chapter Award.

Education for the year was focused on mentoring new members as well as reviewing material the more experienced members may not have visited in a while. We hope the education on each of the four degrees provided insight and understanding to new members and created an opportunity for discussion in the Chapter.

VEC Douglas C. Rose, Jr. proposed the idea of creating a Missouri Capitular Education manual based loosely off the example from the Grand Chapter of New York. This has not yet started but is in the process of organization by the Committee. Finally, a Capitular Mentoring Guide, loosely following the structure of the Missouri Freemasons Mentoring Program, was discussed among the Committee which we hope will be provided in 2026-2027.

We wish to express our gratitude to MEC Ritter and to the multitude of members of the Grand Chapter of Royal Arch Masons across the State of Missouri.

REPORT OF COMMITTEE ON RETURNS OF CHAPTERS

To the Grand Chapter Royal Arch Masons of the State of Missouri,

The Grand Chapter Committee on Returns of Chapters was charged with reviewing the annual returns for accuracy and completeness for all Grand Chapter subordinate Chapters. Most of the communication between members was conducted via email.

In November 2025, the Grand High Priest was contacted by the Committee Chairman to determine his intent and directions for the committee. The Chairman then contacted the Grand Secretary in December 2025 to discuss the Grand Chapter's current process and captured the annual return submission process for that office. The Chairman used the information from the Grand Secretary and the Grand High Priest to develop draft guidelines for the committee and sent them to the Grand High Priest for review. When the review was completed, the Chairman sent the guidelines to the committee members for their input. The following was the final review process:

The committee members will review the Annual Return packets for the following items:

- a. The check for per capita and fees is the correct amount.
- b. The financial report form is completed.
- c. The annual audit form is completed.
- d. A copy of the acceptance notice of the Chapter's latest electronic submission of their 990 filing.

If any item is missing or incomplete, a record of the subordinate Chapter name, number and a description of the missing and/or incomplete item noted. After the review, the committee member will submit the findings of his record to the Committee Chairman, who will consolidate all the records into a single report.

The annual reporting period began in January 2026, but most of the reports did not come in until mid to late February 2026. The committee received twenty-four of the twenty-eight active Chapters (excluding historical chapter Palmyra Chapter No. 2) at the time of this report. The four missing Chapters were Lebanon Chapter No. 64, Triune Chapter No. 93, Orient Chapter No. 102 and Keystone Chapter No. 146.

Our review of the Chapter annual returns found that most were complete except for some 990 filings. Some Chapters had filed their previous 990Ns for the period of April 2024 to March 2025, which meant they would not be able to file their 2025 990N until after the annual return submission period was over. We found those returns acceptable. We found Meridian Sun Chapter No. 61 submitted their 2024 990N and two Chapters did not have an actual 990N in their annual return: Hannibal Chapter No. 7 and Rolla Chapter No. 32, which were on the IRS Revocation List. The IRS said that they are no longer recognized as tax-exempt subordinates in a group exemption letter. This was determined to be an issue due to the resubmission of the Grand Chapter Tax documentation. Additionally, we did discover one chapter paid .20 cents more on their return check to the Grand Chapter.

This completes the report of the Grand Chapter Committee on Returns of Chapters. On behalf the entire committee, I would like to extend our sincere thanks to the Grand High Priest and you, the Companions for giving us the opportunity to serve.

REPORTS OF SPECIAL COMMITTEES

REPORT OF COMMITTEE ON CHARITY

To the Grand Chapter Royal Arch Masons of the State of Missouri,

The Committee on Charity submits its recommendations regarding the annual contributions to the Masonic youth organizations: DeMolay, Job's Daughters, and Rainbow for Girls. Recognizing the vital role these youth groups play in the future of our fraternity, the Committee recommends continuing the previously approved contribution of \$1,000 to each organization for the One Hundred Seventy-Ninth and One Hundred Eightieth Grand Sessions.

Our investment performance has exceeded expectations. In keeping with charity as a core principle of our fraternity, the Committee further recommends increasing the annual contribution to each youth organization to \$2,000 and providing an additional \$3,000 donation to RARA on behalf of the Grand Chapter of Missouri. We recommend that this change take effect with the One Hundred Eightieth Grand Session.

To facilitate this adjustment, we request that the Investment Committee and Finance Committee authorize the Grand Treasurer to transfer the additional \$6,000 from the Foundation Investment Account to the Charity Checking Account and the RARA Account as outlined above.

REPORT OF COMMITTEE ON ENDOWED MEMBERSHIP

To the Grand Chapter Royal Arch Masons of the State of Missouri,

Your Endowed Membership Committee would like to thank MEC Kevin Ritter, Grand High Priest 2025-2026, for his successful ongoing year and continued programs. Additionally, we would like to thank the craft for the opportunity to serve you this year. Over the past several years, our Grand Treasurer has had the dubious distinction of finding, separating, and correcting many problems within our treasury. It is an ongoing situation. As one leaf is turned over, another problem is found, but as those problems are found, corrections are made, and new safeguards are put in place. Our funds are well situated and as the institution of new programs and investment opportunities are found, your monies are now being properly invested to ensure that the future of this fund is strong and well maintained. Thank you for investing in this program.

REPORT OF EXAMINERS COMMITTEE

To the Grand Chapter Royal Arch Masons of the State of Missouri,

It was an honor to be appointed chairman of this committee for the past year. As one moves through the chairs of the various Masonic Grand bodies, the purpose and intent of the length of the chair line is to gain valuable experience and insight into the workings of the Grand body as a whole. I would like to thank M·E·C· Kevin Ritter for giving me, and the other members of this line, the opportunity to serve on different committees this year allowing us to acquire that knowledge. It was also a pleasure to work alongside M·E·C · John W. Siscel III, Past Grand High Priest (2016) and siphon off as much knowledge from him as I could.

The responsibility of this committee, according to the Grand Chapter Constitution and Bylaws is to:
[whose duty shall] immediately prior to the annual convocation to examine and inspect the accounts and vouchers of the Grand Secretary and Grand Treasurer and certify the facts, as found, to the Grand Chapter.

This duty was performed throughout the year using our monthly meetings as a basis for acquiring the necessary data from the Grand Secretary and Grand Treasurer.

We also compared the monthly expenditures of the Grand Chapter against the approved budget for the year to ensure we were in compliance with the approved spending limits as set by the voting members of the Grand Chapter of Missouri.

The Grand Treasurer continues to work painstakingly on the Grand Chapter accounts and monies and we continue to have a better picture of the Grand Chapter's financial standing. His workload was reduced with the addition of the Assistant Grand Treasurer, VEC Christopher Story, with whom we look forward to working alongside in the future.

There is still a lot of work to be completed which involves not only the Grand Treasurer and Grand Secretary but also the subordinate Chapters. We hope when Chapter Secretaries receive communication from the Grand Treasurer or assistant Grand Treasurer regarding a financial issue, that it is handled immediately and without resistance. There are still many unresolved issues which can only be resolved with the complete assistance from local Secretaries and Treasurers.

This committee is satisfied and expresses confidence that the income and expenses documented by the Grand Treasurer, as well as budget and balance sheets accurately reflect the financial position of the Grand Chapter of Royal Arch Masons of the State of Missouri.

The committee thanks the Grand High Priest for the opportunity to serve and thanks the Grand Treasurer and assistant Grand Treasurer for the work they have completed this year. The committee looks forward to continued developments and growth in our financial recordkeeping.

REPORT OF COMMITTEE ON THE STATEWIDE YORK RITE CONFERENCE

To the Grand Chapter of Royal Arch Masons of the State of Missouri,

The First Annual Statewide York Rite Conference was held September 5-6, 2025, at the St James Winery in St James, Missouri. Friday evening's activities included a social hour followed by the conferral of the Ancient and Sacred Order of Stonecutters based off "THE SIMPSONS" TV sitcom series. Approximately 60 candidates received this coveted degree, some of the proceeds for the degree were split between RARA, CMMRF, and KTEF. It was a very enjoyable experience. I could say more, but it is a secret.

The Saturday morning conference began with presentations by the Heads of each of our bodies followed by Deputy reports and a working lunch which included a presentation by MEC Patrick Carr, Grand High Priest of the Grand Chapter of Royal Arch Masons of the State of Kansas and author of his new book "Working Tools: Your Guide to a Fulfilling Masonic Lodge Experience". Attendance for this portion of the event was about 75 individuals. Both the lunch and the presentation were excellent.

As this was the first of this statewide format all who attended seemed pleased with the activities and the venue. Continuing this format is strongly encouraged by the committee.

REPORT OF COMMITTEE ON RITUAL AND REPORT OF THE GRAND LECTURER

To the Grand Chapter of Royal Arch Masons of the State of Missouri,

It was a good year for the Committee on Ritual and the office of the Grand Lecturer. Our Red Jacket Blitzes were very well received and many Master Masons expressed an interest in Royal Arch Masonry. Although many did not continue past the Mark Master Degree, their curiosity was piqued and I expect to see them again later.

The Grand Master's Invitational in honor of Most Worshipful Brother Emmett Bryson was held on March 7 in Jefferson City. Sixteen new Royal Arch Masons were exalted. Thanks go to all the many companions who participated in the ritual, property, wardrobe, donuts and coffee, lunch and all the other things it takes to make this day a success. Their dedication and hard work is greatly appreciated.

Much progress has been made in the ability in each region to confer the Most Excellent Master and Royal Arch Degrees. Once a year is not often enough to confer these degrees and the regions have made great strides in providing an alternative to the Grand Master's Invitational for candidates who are unable to attend that event.

Congratulations go out to all the companions who earned proficiency cards this year. At least seventeen ritual cards were earned and presented this year. One of the great pleasures of the Grand Lecturer is to process the applications. I expect to see more this year, and our ritual is in good hands.

No new ritual changes were presented to the Ritual Committee this year, but I will note that the 2025 ritual book has been published and is available to the chapters.

I would like to thank the Regional Grand Lecturers, District Deputy Grand Lecturers, District Deputy Grand High Priests and all the companions who have helped and assisted me this year. It is you who make this Grand Chapter work. It is an honor to serve the Grand Chapter and its members.

REPORT OF COMMITTEE ON ROYAL ARCH RESEARCH ASSISTANCE

The Grand Chapter of Missouri has one primary charity, Royal Arch Research Assistance. Donations are collected through our subordinate Chapters in the State when dues are paid or during the occasional Table Chapter. The most notable event is the Annual Fish Fry hosted by Triune Chapter No. 93 which has been ongoing for the last 15 years or more. Each year the Grand High Priest is the guest of honor and this event consistently raises a substantial amount of money for R.A.R.A.

Regions 4, 6, and 7 participated in a three-region Table Chapter hosted in Lebanon. It was very well attended, with over 50 in attendance. The total amount raised from the event will be announced at this annual Grand Session.

Liberty Chapter No. 3 sponsored the Region 2 Table Chapter on March 16, 2026. The event was well attended and included two Rising Sun DeMolay members who were present to assist in various duties. VEC Steve Bright presented on R.A.R.A. and CAPD and raised nearly \$800.00 in donations for R.A.R.A.

Each sitting Grand High Priest decides the recipient of funds raised from his coin sales, and this year MEC Ritter has chosen RARA to be the recipient of those proceeds. Additionally, at the official reception of MEC Ritter at his home Chapter in Springfield, cigars were sold with those proceeds going to R.A.R.A. upon his request.

Springfield Chapter No. 15 celebrated a milestone of 175 years. The celebration was exciting with dignitaries from all Masonic bodies across the state, along with city and county officials who enjoyed a nice brunch and then retired to the Tabernacle to watch the rededication ceremony. A coin was struck to commemorate this event and proceeds from the sale of that coin were donated to R.A.R.A.

Caldwell Chapter No. 53 hosted a Sporting Clay Shoot for R.A.R.A. in May 2026. At the time of this report, the event had not yet taken place but given the fact that the event is in the hands of worthy Companions, we trust that it was successful.

The R.A.R.A. committee sent two requests to all Chapters in Missouri in an effort to raise additional money for the charity. The first was a “challenge” to every Chapter to donate an amount equal to \$3.65 for every member in their Chapter. The second was an R.A.R.A. drive in April to coincide with the annual fundraising campaign of Autism Speaks. This organization is one of the beneficiaries of grant monies from R.A.R.A. to continue research to end autism. This drive pitted Chapters in each region against each other. No other rules. Just one goal: raise more money than the other Chapters in the region. Those results will also be announced at this annual session during the awards ceremony.

Moving forward we encourage each Chapter to continue promoting this Charity in their Chapters, Lodges, and communities and to come up with new and creative ways to support this charity.

REPORT OF COMMITTEE ON PUBLICATIONS

To the Grand Chapter of Royal Arch Masons of the State of Missouri,

Your Publication Committee would like to thank MEC Kevin Ritter, Grand High Priest 2025-2026, for his successful year and continuing programs. Additionally, we would like to thank the craft for the opportunity to continue to serve you this year. As we continue the Beacon Magazine for the Grand York Rite of Missouri, the feedback has been favorable from you our Missouri Craft and Freemasons worldwide. As this return is made, we have various ideas that will appear in future issues. So, keep your eyes open for those changes.

Your magazine continues to bring in various authors, present a wide variety of articles, and has attempted to promote not only our Masonic youth groups, but that of the different Masonic Bodies throughout the state of Missouri.

Your enthusiasm and support for this venture has ensured that your magazine will remain a monthly publication for years to come. Thank you Companions and Sir Knights for your continued support and enthusiasm in your magazine. If anyone wishes to submit any articles and/or information to future issues, that material may be uploaded to:

REPORT OF COMMITTEE ON STRATEGIC PLANNING

To the Grand Chapter of Royal Arch Masons of the State of Missouri,

The strategic planning committee recommends continuing with the Grand Master's Invitational program, due to the continued success of the program over the last few years. As previous committees have stated, we have seen a renewed relationship with the Grand Lodge and have seen that relationship grow and develop over time, contributing to overall Masonic unity.

The committee also recommends Chapters continue practicing conferring the Chapter degrees in house, especially the Mark Master and Past Master Degrees. Our ritual is our backbone; it sets us apart from any other philanthropic organization. We must not allow our ritual to fall into disuse for want of qualified ritualists. The committee would like to encourage Companions to think back on their experience with the degrees. What part(s) held some particular meaning for you? Make an effort to learn those parts and share that meaning with the next generation of Royal Arch Masons.

Presentations like Fervency and Zeal are great marketing tools that allow us to share a bit of ourselves with lodges and the committee would also like to encourage these presentations. Put together a plan to visit the lodges in your area and share the York Rite with them!

Finally, the committee echoes the recommendation of previous committees to move communications online where appropriate. Postage costs are rising, and trends continue to show that younger generations prefer to communicate electronically. Make use of social media, email campaigns, and other electronic communication where appropriate. Contribute to the York Rite Beacon, and consider utilizing communication channels such as GroupMe, Slack, or Signal in your Chapters.

REPORT OF THE GRAND MASTERS' INVITATIONAL COMMITTEE

To the Grand Chapter of Royal Arch Masons of the State of Missouri,

2026 marked the 15th year of the Grand Master's Royal Arch Class and the 5th year of the Grand Master's Invitational. There were 16 more Royal Arch Masons exalted this year in Jefferson City and we are proud to say overall the Invitational has brought several hundred new members to the Royal Arch of Missouri! This has allowed York Rite of Missouri to continue to be stronger than ever!

Missouri Strong remains supreme! With the support and growth of MEC Kevin M. Ritter's Red Jacket Blitzes we continue on the path to success. Thanks to all the York Rite members who continue to step up and make the effort to shed more light on the Masons of Missouri with the beautiful degrees of the Chapter, Council and Commandery.

REPORT OF COMMITTEE ON MEMBERSHIP & RETENTION

To the Grand Chapter of Royal Arch Masons of the State of Missouri,

It has been a pleasure for the Membership and Retention Committee to serve Most Excellent Companion Kevin M. Ritter during the 2025–2026 year.

In 2024–2025, the Grand York Rite bodies enacted changes to the Constitution and Bylaws, as well as the Laws and Regulations of the respective bodies. These changes require each local and constituent York Rite body to establish a committee to investigate the reasons for a member's delinquency and determine whether there are ways to retain that member. The findings are then to be reported to the Membership and Retention Committee. Membership continues to be a challenge within the majority of fraternal organizations. We must find innovative ways to retain our current members while making the York Rite of Freemasonry more appealing to both Craft Masons and non-Masons alike. Freemasonry remains a viable and meaningful organization, and we must continue to build upon its strengths.

We also continue to reinforce the Grand Chapter's legislation passed in 2024–2025: no member may be suspended for non-payment of dues until the Chapter's Retention Committee has met with him and submitted a report detailing the outcome of that meeting. This ensures that each Chapter remains compliant with the policy. We encourage continued engagement with Blue Lodges through Red Coat Blitzes, walk-about, and similar outreach efforts. Additionally, Chapters, Councils, and Commanderies are encouraged to maintain a visible public presence and participate in charitable outreach.

Region 6 has been especially active, conducting a food drive, a warm clothing drive, and Salvation Army bell ringing, as well as sponsoring a float in the 2025 Christmas Parade.

Efforts are also underway to track the number of Festivals conducted. Region 6 sponsored a York Rite Festival in October, resulting in 16 Companions being exalted. Participating Regions included 4, 5, 6, and 7. We have also seen an increase in Red Coat Blitzes, Chapter walk-about, and the wearing of Red Coats during Blue

Lodge visits. Additionally, Table Chapters—such as the one hosted on January 30, 2026, involving Regions 4, 5, 6, and 7—have proven successful, particularly when open to the public.

Your Membership and Retention Committee is here to assist you; however, we cannot do the work for you. We encourage you to reach out at any time or connect with the York Rite bodies mentioned above to learn what strategies have been effective for them. A single approach will not work for every organization—success depends on finding what works best for your own body. Remember, doing nothing has a guaranteed result.

We have added 112 new Companions for 2025–2026 and reinstated 11.

REPORT OF COMMITTEE ON YOUTH ACTIVITIES

To the Grand Chapter of Royal Arch Masons of the State of Missouri,

This is an exciting time for the Missouri Grand York Rite and our Missouri Masonic Youth organizations. The energy and excitement surrounding the desire to bring the Missouri Masonic Youth groups and the Missouri Grand York Rite bodies closer together is unparalleled.

Companions and Sir Knights, during the respective Masonic Youth Annual and Grand Sessions, your leaders, MEC Kevin M. Ritter – Grand High Priest of the Grand Chapter of Royal Arch Masons of the State of Missouri; MIC Dennis W. Houck – Grand Master of the Grand Council of Cryptic Masons of the State of Missouri and Sir Knight Terry D. Coppotelli – Right Eminent Grand Commander of the Grand Commandery of the State of Missouri represented you and the Grand York Rite in exemplary fashion.

Presentation of the 2025 – 2026 Grand York Rite Youth Awards

The presiding officers of the Grand York Rite of Missouri have the privilege of presenting one Missouri Masonic Youth within each of the three youth organizations with its respective and coveted Youth Award. Recipients of the Grand York Rite of Missouri Youth Awards must complete an extensive application, receive endorsement from their respective Advisory Councils, and demonstrate exceptionalism in their fraternal, sororal, community, and academic endeavors.

The 2025 – 2026 designees and recipients of the Grand High Priest's Youth Award are the following distinguished Masonic Youth:

- Missouri Rainbow (2026): Ciaera Kazuma – Pulaski Assembly #78
- Missouri Jobs Daughters International (2025): Evelyn Winebaugh – Bethel #43

The Grand York Rite is paving the way for the future of our Masonic Youth

One of the big questions presented to this Committee by your Grand York Rite leaders has been, “how can we increase our presence and exposure within our Masonic Youth Groups?” As a result, this Committee has been coordinating actively and directly with the Masonic Youth Groups and with the Grand York Rite leaders concerning opportunities for organizational unique awards, presentations, programs, sponsorships, etc. We are excited about the future of the mutual relationship between the Grand York Rite and our Masonic Youth.

REPORT OF THE DDGHP FOR REGION 2

To the Grand Chapter of Royal Arch Masons of the State of Missouri,

It has been my pleasure to serve the Grand Chapter of Royal Arch Masons of the State of Missouri and M.:E.:C.: Kevin Ritter.

I want to thank all the Companions of Region 2 for their efforts to grow Capitular Masonry in Northwest Missouri, your efforts are working as I saw new faces at each visit. Your fervency and zeal are much appreciated. VEC Jessie Morrison and I were able to visit each Chapter in Region 2 this year (VEC Morrison and Walters made one visit prior to Larry's health issues) and I am encouraged by the Companions and their attitudes in the region. I applaud Liberty Chapter No. 3 for the very successful Region 2 Table Chapter. There was a lot of fun, and fellowship and \$753.00 was raised for RARA.

REPORT OF THE DDGHP FOR REGION 3

To the Grand Chapter of Royal Arch Masons of the State of Missouri,

It was my pleasure to serve another year as the DDGHP for Region 3. I continue to be impressed by the commitment of the companions in this region. This year the Region has strived to sharpen their ritual and has made huge strides in moving away from ritual books. This region continues to have a noticeable presence in not only the district but in the community as well. This year we saw a scholarship fund for trade schools, and a BBQ competition that put region 3 out into their community. Region 3 does an excellent job in coordinating festivals and this year was no exception. It is so refreshing to see that the top officers in each of these chapters are well aware of, and utilize the MMS, as well as all the education materials available. This Region works diligently to bring aboard new members, and actively promotes the York Rite bodies in their Blue Lodges with coordinated presentations geared to peak the interest of potential companions. Working with the High Priests of each of these chapters we have a plan ready to move forward into next year. Region 3 continues to shine and I am excited to see what the future holds.

REPORT OF THE DDGHP FOR REGION 4

To the Grand Chapter of Royal Arch Masons of the State of Missouri,

This report summarizes the activities and conditions of region 4 (Columbia, Jefferson City, and Rolla areas) for the current reporting period. Region 4 has experienced continued growth, with membership increasing and new Companions being welcomed into our Chapters. Active participation in Chapter events remains steady, reflecting the dedication of our Companions to the principles of Royal Arch Masonry.

Dissemination of Grand High Priest Messages

It was an honor to disseminate the messages of Most Excellent Kevin M Ritter throughout the region. MEC Ritter's message emphasized being excellent to each other resonates in the Great Light of Freemasonry in Matthew 7:12 "Do unto others as you would have them do unto you." This rule emphasizes mutuality and respect in our interactions with one another. It further emphasizes serving as a moral conduit across cultures, the community and the Fraternity. For example, Companions from region 4 took time out of their schedule throughout the year to visit masons in Veteran homes, widows, doing community projects not just supporting the Grand Lodge service days; but because it is what Masons do. I am very proud of the efforts that I was made aware of throughout the region.

Chapter Visits and Initiatives

Region 4 benefits from the wisdom and guidance of several outstanding and experienced Companions. To further support our Chapters, I conducted two visits to each chapter throughout the year. These visits facilitated the dissemination of the Grand High Priest's message and provided opportunities for discussion and feedback. Key topics included strategies for member participation, engagement, leadership development, and attracting new Companions. Addressing declining attendance remains a key priority, and we are exploring innovative strategies such as educational programs and education opportunities to better engage members in our evolving digital landscape. We believe these strategies, coupled with a renewed focus on community involvement and mentorship programs, will help revitalize attendance and foster a vibrant Chapter experience.

Conclusion

I was honored to represent MEC Kevin Ritter this year and I am grateful for the opportunity to serve Region 4 and contribute to the success of our Chapters. I look forward to continuing to work with the Grand Chapter to address the challenges and opportunities that lie ahead, ensuring a bright future for Royal Arch Masonry in our region.

REPORT OF THE DDGHP FOR REGION 5

To the Grand Chapter of Royal Arch Masons of the State of Missouri,

Region 5 had a strong and encouraging year filled with meaningful activity, steady growth, and excellent participation across our Chapters. Degree work remained a major highlight, with the November 1st Degree Day welcoming nine new Companions and demonstrating the high quality of ritual work in our region. The Red Jacket Blitz program continued to build momentum, producing eleven new Mark Masters through events at Gateway, Naphtali, and Algabil Freedom Lodges. Region 5 was also well represented at statewide festivals, and Chapters continued to support one another through regular degree work, practices, and shared events.

Ritual development remained a priority, and monthly open/close and degree practices at Nobel Lodge helped strengthen confidence and consistency across the region. These practices have been well received and are laying the groundwork for future ritual awards and recognition. Official visits were completed on schedule, with positive engagement and strong hospitality shown by every Chapter.

Fellowship and community spirit were evident throughout the year. The annual Region 5 Holiday Party, despite a weather delay, was a wonderful success, bringing together Chapter, Council, and Commandery for a well-attended Table Council and raising money for CMMRF. Coin sales were very strong, and additional funds were raised for RARA through the November 1st degree-day contributions.

Overall, Region 5 continues to move forward with energy and purpose. Membership growth, strong ritual engagement, successful events, and active participation across the region all point to a bright and productive year ahead. The dedication shown by our Companions reflects a region committed to excellence, fellowship, and the ongoing strengthening of our Royal Arch community.

REPORT OF THE DDGHP FOR REGION 6

To the Grand Chapter of Royal Arch Masons of the State of Missouri,

This report summarizes the activities and condition of Region 6 (Wilson Chapter No. 75 and Poplar Bluff Chapter No. 114), for the current reporting period. Region 6 continues to experience steady growth, with membership increasing and new Companions being welcomed into our Chapters. Active participation in Chapter events remains strong, reflecting our Companions' dedication to the principles of Royal Arch Masonry.

Dissemination of Grand High Priest Messages

On October 3–4, 2025, Region 6 hosted its annual York Rite Festival. We received excellent support from Regions 4, 5, and 7. A total of 16 candidates participated. In addition, Companion Christopher Allen Wehrenberg received his Proficiency Card. Poplar Bluff Chapter No. 114 hosted Most Excellent Companion Kevin Ritter for his official visit on 09 April 2026, and Wilson Chapter No. 75 hosted Most Excellent Companion Kevin M. Ritter on 22 April 2026 for his official visit.

Chapter Visits and Initiatives

Region 6 benefits from the wisdom and guidance of several outstanding and experienced Companions: Bill Ambro Humble, Christopher Allen Wehrenberg, Homer Ivan Markhart, and Dennis Wayne Houck.

To further support our two Chapters, I conducted two visits to each Chapter. The first visits were official visits, followed by second visits later in the year:

Chapter Name	First Visit	Second Visit
Wilson Chapter No. 75	November 2025	April 2026
Poplar Bluff Chapter No. 114	August 2025	April 2026

Both Chapters continue to improve their ritual work, particularly focusing on the six-man opening. With the assistance of the aforementioned Companions, Chapter education is being presented at all meetings. The development of future regional leaders remains strong, ensuring a continued presence and growth of Royal Arch Masonry in this area of the state.

Wilson Chapter No. 75 and Poplar Bluff Chapter No. 114 are actively participating in the Chapter Achievement Award, Lewis and Clark Nomination, and Growth Awards programs. They are also engaged in York Rite Talks focused on membership growth and charitable initiatives such as the Royal Arch Research Assistance (RARA) program and “Penny a Day.”

Additionally, Region 6 supported the Region 4-5-6 Table Chapter held in Lebanon, Missouri on 30 January 2026.

Over the past 36 months, Region 6 has hosted two York Rite Festivals and is planning another for December 2026. Companion Homer Ivan Markhart, along with Region 6 leadership, continues to work with DeSoto with the goal of establishing it as a future Chapter.

Conclusion

I am honored to have represented Most Excellent Companion Kevin M. Ritter this year. In addition, I am grateful for the opportunity to serve Region 6 and contribute to the success of our Chapters. I look forward to continued collaboration with the Grand Chapter to address the challenges and opportunities ahead, ensuring a bright future and sustained success for Royal Arch Masonry in Region 6. *“Be Excellent to each other”*

REPORT OF THE DDGHP FOR REGION 7A

To the Grand Chapter of Royal Arch Masons of the State of Missouri,

It has been a pleasure to serve MEC Kevin Ritter, Grand High Priest and the companions of Region 7A as District Deputy Grand High Priest during the year of 2025/2026.

We have had a good year in Region 7A, Chapters have really made some gains and are doing a good job of opening and closing in due form from memory. Bolivar Chapter No. 5 has made great strides this year in all the chairs in doing the floor work correctly and knowing all their parts without the books. Springfield Chapter No. 15 had good growth this year. Lebanon Chapter No. 64 has great leadership in several of the chairs and do outstanding work at all meetings and degrees. We lost Greenfield Chapter No. 38 to consolidation with Springfield Chapter No. 15. All the Chapters work well with each other in putting on degrees and helping outside the area also.

We had a ritual contest this year between the chapters in Region 7A on opening and closing. They were evaluated on ritual and the floor work. Bolivar Chapter No. 5 won the award this year scoring 463 points out of a possible 500. In December Springfield Chapter No. 15 visited Bolivar Chapter No. 5 and arrested the Traveling Gavel.

Again, it was an honor to serve this year as DDGHP and I look forward to more growth in the upcoming year. We will again holding the ritual contest between the chapters and look to see more visiting between the chapters and continuing to help each other with degrees.

Randy W. Presley,
District Deputy Grand High Priest

REPORT OF THE ORDER OF HIGH PRESTHOOD

The Order of High Priesthood is an association for past and current High Priests of Chapters of Royal Arch Masons, sometimes referred to as the Anointed Order of High Priesthood. In antiquity, this degree was known as the Order of Melchizedek. The Holy Order of High Priesthood tells the story of Abraham returning from the slaughter of the kings and his encounter with Melchizedek, High Priest of Salem. The candidate is then solemnly anointed, consecrated, and set apart to the Holy Order of High Priesthood. If you have been or currently are, the High Priest of your Chapter, you should consider receiving this degree, as it furthers your knowledge and understanding of the Royal Arch Degrees.

The Annual Convention of the Anointed Order of High Priesthood of Missouri was held on Thursday, June 12, 2025, at 1:30 p.m. in Ballroom A of the Marriott Country Club Plaza Hotel in Kansas City, Missouri. Under the leadership of Excellent President Bobbie White, the Order was conferred upon twelve Missouri candidates. Each candidate had been certified by the Grand Secretary of the Grand Chapter of Royal Arch Masons of the State of Missouri as having served, or being then serving, as High Priest of his respective Chapter.

The twelve candidates, having been properly prepared, were received, anointed, consecrated, and set apart to the Holy Order of High Priesthood. The Order was conferred by a special ritual team appointed by the President, and the team presented a very impressive exemplification of the Order. The continued use of a dedicated ceremonial cast remains one of the strengths of this Order and helps preserve the dignity, solemnity, and beauty of the degree.

During the business of the Convention, the proceedings of the 2024 Convention were read, corrected, and approved. The Treasurer’s report was received, including balances in the Bank of Franklin County certificate of deposit, savings account, and operating funds. The Order also continued its support of proper ceremonial work and benevolent traditions, including expenses related to the Past Grand High Priest apron, degree supplies, and ritual printing. A motion was also made and approved to purchase up to twenty Bibles for future use in the ceremonies.

The officers for the 2025–2026 term were elected and installed.

President:	Mitchell C. Weinsting
Vice President:	George M. Merkle
Chaplain:	Ronald L. Skiles
Secretary :	Jeff A. Stokes
Treasurer	Christopher L. Story
Master of Ceremonies :	Kevin M. Ritter
Conductor:	Gregory J. Walker
Herald:	Jacob W. Thompson
Steward:	Richard A. Riepe
Sentinel:	John C. Caraker

Companion Terry Coppotelli also presented Excellent Companion Bobbie White with his Past Excellent President’s jewel, and Excellent Past President White expressed his appreciation to the cast and officers for their outstanding work.

In closing, the attaining of the Order of High Priesthood should be the goal of every High Priest. If you are not yet a member, you should be. Petitions are available at the literature desk.
