ANNUAL REPORT OF THE GRAND COMMANDER 2017-2018

REPORT OF ADDRESS OF THE GRAND COMMANDER COMMITTEE

See separate printed publication for this Committee Report.

REPORT OF TEMPLAR JURISPRUDENCE COMMITTEE

To the Grand Commandery of Knights Templar of the State of Missouri:

Sir Knights,

The Templar Jurisprudence Committee has reviewed the Orders issued, Dispensations granted, and Laws and Regulations changes approved for subordinate Commanderies and all other relevant matters pertaining to the business of the Craft acted upon by the Grand Commander. In our opinion the Grand Commander has complied with the Statutory duties, responsibilities, and inherent powers of his office. Our Grand Commander is to be commended for his specific interest and attention to the Craft.

The Committee on Templar Jurisprudence thanks the Grand Commander for the honor and privilege of being selected to serve this Grand Commandery during his year. His recommendations will be referred to the appropriate committees for review and we express the hope for his continued successes in the years ahead.

Our congratulations to Sir Knight K. Trent Moreland, Right Eminent Grand Commander, for a successful year. In our estimation you have performed your duties and responsibilities remarkably well.

I move the adoption of this first part of the Report.

Item No. 1

PROPOSAL TO AMEND THE **LAWS AND REGULATIONS** OF THE GRAND COMMANDERY OF KNIGHTS TEMPLAR OF THE STATE OF MISSOURI TO READ AS FOLLOWS:

ARTICLE VI, Section 119. Annual Audit of Commanderies. Each commandery under the jurisdiction of this Grand Commandery shall on or before the 1st day of March of each year make, on standard forms furnished by the Grand Recorder, a financial report and an audit of the books, finances and property of the commandery and transmit by mail a copy of same to the Grand Recorder.

STATEMENT OF PURPOSE: This section as stated was repealed in 2017. I have added to the previous language a requirement and inclusion of a Financial Report which was missing from the original text. I believe this to be a necessary requirement of each constituent commandery and an oversight on our part. If commanderies are not required to provide both an annual financial report and perform an annual audit in accordance with these laws and regulations, many will not. It was for this reason that a Financial Report and an Annual Audit forms were added to the Annual Return process when I became Grand Recorder in 2001, also with the concurrence of the Grand Commandery Officers and the Templar Jurisprudence Committee. This lack of an annual audit nurtures a spirit of financial irresponsibility and can lead to misuse of commandery moneys and even theft. This is the tool which was used to disclose theft in the past. This is one tool we can use to help ensure the financial stability of each constituent commandery.

PROPOSAL TO AMEND THE **LAWS AND REGULATIONS** OF THE GRAND COMMANDERY OF KNIGHTS TEMPLAR OF THE STATE OF MISSOURI TO READ AS FOLLOWS:

ARTICLE XVII, Change of Laws and Regulations, Section 214. By Adding Section. Any additional sections not conflicting with the provisions of these Laws and Regulations, may be proposed in writing, ~~and after the second reading,~~ if concurred in by two-thirds of the votes present, shall become a part of these Laws and Regulations.

STATEMENT OF PURPOSE: The requirement for a second reading of a proposed addition is a superfluous requirement, as it can be met by simply having a person go to a corner of the Grand Conclave room and read the proposal, whether anyone listens or not. As we now have the requirement that

all proposal be sent to Commanderies 45 days prior to the Grand Conclave, it further makes the second reading unnecessary.

PROPOSAL TO AMEND THE **LAWS AND REGULATIONS** OF THE GRAND COMMANDERY OF KNIGHTS TEMPLAR OF THE STATE OF MISSOURI TO READ AS FOLLOWS:

ARTICLE VI, Chartered Commanderies Section 117. Annual Reports and Per Capita Payment. On or before December 31 each year, Commandery Recorders will submit to the Grand Recorder a complete list of remissions for their Commandery to include the member's full name and type of remission in accordance with **Section 171. Members May Not be Exempted.** On or

before February 1 each year the Grand Recorder will provide a Masonic Membership Solutions (MMS) statistical report for the previous reporting year along with a per capita bill for the calculated fees due the Grand Commandery. The bill will include appropriate fees and credits. Fees shall consist of Knighting Fees, Per Capita and any outstanding balances from the previous year's return. Credits shall consist of approved Remissions and Endowed Memberships as verified by the Grand Recorder, along with any overpayments from the previous year's return. A Financial Report Form and an Annual Audit Committee Report Form (see **Section 119. Annual Audit of Commanderies.**) will also be included as part of the Annual Return. Each Commandery shall forward to the Grand Recorder on or before March 1st in each year all forms and a check or money order for the per capita payment, based on the annual statistical report and per capita bill provided by the Grand Recorder, and due from said Commandery, and a copy of the latest IRS Form 990 or a copy of the acceptance of the electronic submission of a Form 990N. The fiscal year of the Grand Commandery shall end May 31st of each year, and all accounts shall be closed on that date. A commandery failing to file a complete return as provided herein and to forward per capita payment by March 1st subjects itself to a fine of fifty dollars (\$50.00). Any Commandery that does not submit a complete annual return to the Grand Recorder's office not later than thirty (30) days prior to the Annual Conclave of the Grand Commandery shall forfeit all rights and privileges to representation and voting at the Annual Conclave.

PROPOSAL TO AMEND THE **LAWS AND REGULATIONS** OF THE GRAND COMMANDERY OF KNIGHTS TEMPLAR OF THE STATE OF MISSOURI TO READ AS FOLLOWS:

ARTICLE II, The Grand Officers, Section 27. The Grand Commander. H.

~~Appoint and commission representatives of the Grand Commandery near the other Grand Commanderies and receive and accredit representatives from such other Grand Commanderies, who must be permanent members of the Grand Commandery. When the representative of any Grand Commandery near the Grand Commandery of Missouri fails for two successive years to attend the conclave of this Grand Commandery without giving a satisfactory explanation to the Grand Commander, he shall notify the Grand Commander of the jurisdiction concerned.~~

STATEMENT OF PURPOSE: I propose the entire section H. be repealed. The Grand Representative program has not been functional for many years. Those appointed as Grand Representatives rarely meet the expectations of the program, those of traveling to the respective jurisdiction, communicating with their counterpart, and filing an annual report with the Grand Recorder's office concerning the activities and news of interest of their Grand Commandery to be included in the annual reports of our Grand Commandery. Additionally, many jurisdictions are doing away with the program since the transactions of their meetings can be found online in jurisdictional web sites and the primary role of a Grand Representative is null and void.

ARTICLE III, Committees, Section 34 Committees, Subsection C. Education Foundation.

To comply with the regulations of the Grand Encampment there shall be a committee of five to be known as the Educational Foundation Committee. The members of the Committee shall serve five-year terms of which one will expire each year, one member to be appointed each year at a time of the Annual Conclave by the incoming Grand Commander. The Grand Commander serving will make appointments to fill any vacancies for the unexpired portion of the term, and replace any member of the Committee for cause, reporting his action to the Grand Commandery. The Committee shall meet annually after the close of the Annual Conclave ~~has been called from labor,~~ under the direction of the Grand Commander, to elect a chairman. ~~The Grand Recorder shall serve as Secretary-Treasurer of the Committee but shall not be a member of the Committee.~~ The Committee may name such other officers and employees, not members of the Committee, as it may deem necessary for the successful administration of the funds. Further the following regulations will be observed by this Committee:

1. All grant awardees will receive written notification of award by United States Postal Service postmarked or no later than September 15 of the award year. Notification may also be made by electronic mail, with delivery and read receipts requested by September 15. Further all grants for the current academic year which have been received on or before September 15 will be paid directly to the designated student recipients no later than September 30 of that academic year.

2. All applications for scholarships received after September 15 shall be processed within 60 days of receipt thereof and notice of award grant or denial will be made within 15 days of award determination. Further all grants for the current academic year will be paid directly to the designated student recipients no later than 90 days after receipt of the application.

3. All awards processed after September 15 of the award year and before the second Friday in June of the current Templar year will be considered as awarded for the current academic year.

4. All payments will be delivered by United States Postal Service with Return

Receipt Requested.

5. Upon dispensation of the grants, the Grand Treasurer will report the following information to the Grand Commander, Deputy Grand Commander, Grand Generalissimo, Grand Captain General, and Grand Recorder: 1) the check numbers; 2) date checks were written; and 3) the date the checks were mailed to the designated recipients. Such notification shall be provided within 15 days of dispensation of the checks.

6. The Chairman of the Knight Templar Education Foundation shall present a formal written report to the Grand Commandery of Knights Templar of the State of Missouri, no later than May 30 of the current Templar year, detailing the following items:

a. The number of grants and amounts that were awarded for the current Templar Year.

b. The balance of the Knight Templar Education Foundation Endowment Fund as of May 30 of the current Templar year.

c. The annual returns for the current Templar year.

STATEMENT OF PURPOSE: The Knight Templar Education Foundation of Missouri, under the jurisdiction of the Grand Commandery of Knights Templar of Missouri has not made timely payment of grant moneys to designated recipients for at least three years prior to General Order #2 issued by the Grand Commander on September 20, 2017. Some grant payments were not received until after the completion of the academic year for which the grant was awarded. Notification has not been made to grant awardees as to the status of their application. Additionally, no report has been made to the Grand Commandery of Knights Templar of the State of Missouri regarding the state of the endowment or activities of this Foundation since at least 2014. This is a grave error that will be corrected with the adoption of this amendment.

Section 222. Regional Officers. Duties.

~~**A.** It shall be the duty of each Grand Officer~~ the Regional Grand Commander assigned to a region to ~~consult~~ represent the Grand Commander and ~~assist with his program for the year in the designated region.~~

~~**B.** It shall be the duty of the Regional Grand Commander to assist and work with the Grand Officer assigned to a region in carrying out the program of the Grand Commander for the year.~~

STATEMENT OF PURPOSE: The current assignment of a Regional Officer and a Regional Grand Commander is inefficient and confusing. As in Blue Lodge, Royal Arch Chapter and Cryptic Council the District Deputy or Regional Deputy Grand Officers answer directly to the Grand Presiding Officer and are charged with resolving any issues that arise in their District/Region on his behalf. Approval of this amendment will adopt the proven, efficient method of the aforementioned models.

REPORT OF GRAND RECORDER*To the Grand Commandery of Knights Templar of the State of Missouri:*

Sir Knights,

As my seventh year as your Grand Recorder draws to a close, I believe that Debbie and I have a firm handle on the workload of the job. The division of labor between Sir Knight Kevin B. Sample, Grand Secretary of the Grand Chapter and Grand Recorder of the Grand Council, continues to move the operation of the

office forward. Debbie, Kevin, and I continue to resolve legacy issues as well as to cope with the constant flow of information into the Grand York Rite Office.

This past year we have continued to modernize the operation of the office. Debbie has been instrumental in dealing with both the day to day operations of the office and helping me to focus my time on critical tasks. The MGYR web site continues to be developed under the care of SK Donald MacCormick, MGYR Web Master. Bringing the Grand York Rite of Missouri into the 21st Century continues to be a constant theme.

One of the big successes of the Grand York Rite Office is the completion of the Grand Commandery's second year using the new annual reporting system. Together with the completion of the move of the Grand Chapter and the Grand Council into the Masonic Membership (MMS) database, all of the 2017 annual reporting was based on the Missouri membership data in MMS. All that the Commanderies were required to do was to complete a simple reply form, write a check, and submit them to the Grand York Rite Office by March 1st. The response this year was 97%. However, Oriental Commandery No. 35 failed to pay its per capita bill, so their entire 2017 per capita bill will be added to their 2018 per capita bill. In addition, nine Commanderies incurred a late fee. One Commandery requested and received a payment plan, but if they fail to make all of their payments by the end of 2018, then the unpaid balance will be added to their 2018 per capita bill. One Commandery paid much less than the amount specified in their per capita bill, so the unpaid balance will be added to their 2018 per capita bill. The Grand Commandery is currently \$2,446.20 short of collecting the \$45,187.50 owed to it by the Commanderies.

In conclusion, Debbie and I thank everyone for their continued support. While Debbie cannot do everything that Kevin and I can do, she has truly become the Executive Assistant for Everything. We are all committed to and are striving for improved operations in the ensuing year.

REPORT OF ENDOWMENT FUND COMMITTEE

To the Grand Commandery of Knight Templar of the State of Missouri:

Sir Knights,

The Grand Commandery Endowment Fund for Endowed Membership has a total membership of 225 with a total endowed value of \$113,530.33. It had a 2017 distribution value of \$1,131.71 to the Commanderies and Grand Commandery. However the distribution was very meager. The earnings must be a minimum of almost 2%, in order to pay the Grand Encampment per capita. Therefore, the only distribution to Commanderies was for those with deceased members. However, on the bright side, Commanderies received a distribution for their deceased endowed members and paid no per capita to the Grand Commandery for their living endowed members.

Investments are in a combination of interest bearing money market accounts and Certificates of Deposit. Current interest rates have limited these moneys from being invested in long-term certificates.

Short-term rates at this time are more favorable and allow greater flexibility to move moneys to better performing accounts whenever possible. The current economy has necessitated that funds be invested at much lower than desired rates of return. The year began with low rates, with them showing some improvement during the year. Hopefully, as the economy improves, these

investments can once again be invested at more reasonable rates of return, thusly enhancing the distribution values.

This committee recommends that; as current CD's mature, the Grand Treasurer may invest an amount not to exceed 25% of each CD value in common stock or equal securities in nationally known corporations traded on the New York Stock Exchange, and rated "A": or better by Standard and Poore's or Moody's or by some equally well recognized investment rating service. Such investment may be allowed to appreciate to an amount not to exceed 50% of the total value of Endowed Membership Funds. Based on experience with the Grand Chapter and Grand Council, such investment will enhance the amounts that may be realized for the annual distribution to the Grand Commandery and individual Commanderies.

REPORT OF INVESTMENTS COMMITTEE

To the Grand Commandery of Knight Templar of the State of Missouri:

Sir Knights,

All Grand Commandery Funds are invested in banking institutions in Missouri. All accounts are interest bearing, with no service charges, and with amounts being maintained at less than \$250,000.00 in any one banking institution.

Investments are in a combination of interest bearing checking accounts, money market accounts, and Certificates of Deposit. Current interest rates have limited these moneys from being invested in long-term certificates.

Short-term rates at this time are more favorable and allow greater flexibility to move moneys to better performing accounts whenever possible. The year began with low rates, with them showing some improvement during the year. Hopefully, as the economy improves, these investments can once again be invested at more reasonable rates of return.

Fraternally submitted,

SK Donald L. Trabue, PGC, Chairman
SK James E. Snavelly, PGC

REPORT OF GRAND REPRESENTATIVE FOR OHIO

To the Grand Commandery of Knight Templar of the State of Missouri:

Sir Knights,

The 175th Annual Conclave of the Grand Commandery of Ohio was held October 6-7, 2017 at the Crowne Plaza North, Columbus, Ohio. The session opened Friday, Oct. 6, at 8:30AM. There were present 202 voting members and 71 visitors for a total of 273 souls.

The morning began with a short form opening by Wooster Commandery #48 and was turned over to the Grand Commandery Officers. The Colors were presented by a local DeMolay chapter who were also members of a high school ROTC, followed by the usual introduction of dignitaries from other bodies. A legislation was introduced allowing the option of a "Pershing Style" military cap to be used as in lieu of the Chapeau. It was pointed out that this measure was not intended to eliminate the Chapeau, but was meant to allow Sir Knights a more cost efficient means of providing themselves a uniform, as these caps cost approximately half the cost of even a lower end Chapeau. The Conclave then broke for lunch at 11:45AM.

After lunch, the business resumed at 1:00PM and the above mentioned legislation was passed by a wide margin. Various Committee reports were presented. Much discussion was held and many programs were presented which might be considered to stem the tide of declining membership in all areas of our Fraternal Organizations. It was generally agreed that membership issues must be first addressed at the Lodge level, and that our appendant bodies should actively seek out those new Masons of the highest quality to become members of our Orders. The business having concluded, the Commandery was dismissed.

A Divine Service was held at 5:00PM with many of the Knights and their ladies in attendance. This was followed with a social hour and the Grand Commanders Banquet commencing at 7:00PM.

On Saturday, Oct. 7, the Drill Competition began at 7:30AM and ran well into the afternoon. Both field and Asylum drills were held with teams classed by size from 7 to 15 Knights per team. All of the drills I was able to watch included a sword "Manual of Arms" as part of the drill. A Ritual Competition was held from 2:00PM to 5:00PM and was open to all Sir Knights who wished to participate.

The Awards Dinner was opened at 6:00PM and presentations were made to teams in all 10 Divisions.

After dinner, the Grand Officers were installed. This was one of the most impressive ceremonies I have yet to witness. While the installation of Line Officers consisted of the said Officers standing at their places, they raised their right hand and the Oath was repeated as a group. The Installing Marshal then escorted the Grand Commander Elect down the center isle to the Altar where he was caused to kneel. A prayer was offered and the Oath was administered. He then was conducted to the East where the Grand Commanders Jewel was placed on him by his father, a Past Commander, with the assistance of his mother. After a few brief words, the ceremony was concluded.

I was able to obtain a copy of pre-printed reports of various committees. This document is some 55 pages in length. Thank you for allowing me to serve our Grand Commandery in this capacity.

Fraternally submitted,

SK William J. Sherman, Grand Representative of Ohio near Missouri
