Bobbie Edward White
Grand Commander, 2024-2025

BIOGRAPHY OF THE GRAND COMMANDER

Sir Knight Bobbie Edward White was born on April 13, 1955, to T.H. White, Sr. and Bonnie Berrier White in Kansas City, Missouri. T.H. was in the service so the family moved around until he retired, and the family moved back to Bonnie's hometown of Grandview, Missouri. After graduating from Grandview Senior High in 1973, Bobbie attended Central Missouri State University in Warrensburg, Missouri where he was bitten by the Law Enforcement bug. After leaving college, he began a career that would span 43 years as a law enforcement officer. During that time, he retired twice. The first retirement was as a Captain for the KU Medical Center Police Department and the second time as a Sergeant for the Clay County, Missouri Sheriff's Office. During that time, he worked a second job due to his first wife's illness and served 18 years as a member of the Claycomo MO Police Department rising to the rank of Major, Deputy Chief.

On December 13, 1999, Bobbie met the woman who would turn out to be his life partner, Gloria Anne Rowe. On April 13, 2001 (which just happened to be both of their birthdays) they were married.

Bobbie had three real passions in his life: his family, his job, and Freemasonry. During his time in Freemasonry, he was proud to have been the Worshipful Master of three Lodges and served as District Deputy Grand Master for the 17th Masonic District for three years. He also served for several years on the Masonic Education Committee and the Mileage and Per Diem Committee. He held many positions in various appendant bodies including receiving the Knight's York Grand Cross of Honor and being coroneted a 33rd Degree Inspector General Honorary for the Scottish Rite and served as the Executive Secretary for the Valley of Saint Joseph. He serves as Grand Governor for Missouri for the York Rite Sovereign College of North America and was awarded the Order of the Purple Cross. He serves as Intendent General Missouri Northern for the United Grand Imperial Council of Knights of the Red Cross of Constantine and Appendant Orders for the United States of America and its Jurisdictions. He had the honor of being elected as Grand Director General of the Grand Preceptory Yeomen of York for Missouri. He was a member of many other appendant bodies and held leadership positions in most of them. He also had the distinct pleasure of serving as Grand Commander of the Grand Commandery of Knights Templar of the State of Missouri.

ANNUAL REPORT OF THE GRAND COMMANDER 2024-2025

To the Grand Commandery of Knights Templar of the State of Missouri:

Sir Knights, ladies and guests, on behalf of the Grand Commandery of Knights Templar and all the Sir Knights of the State of Missouri, I welcome you to this, our 164th Annual Conclave.

Freemasonry is an amazing institution and has allowed me to meet and hold fellowship with some of the most wonderful people in the world. Had it not been for a little imp who thought I could make a decent Mason, I would not have taken the journey I have. Teddie Elbert Harrison, I still miss you and thank you for dragging me around the State and introducing me to some of the finest people I have ever met. There is no way I can ever express my gratitude to all of you for allowing me to serve you and this, our Grand Commandery, as Grand Commander.

To our out-of-state guests, thank you so much for giving us your time by visiting Missouri. We hope that your visit will be as much of a joy and pleasure for you as it is for all of us. Thank you so much for being with us.

To Sir Knight David Dixon Goodwin, GCT, Most Eminent Past Grand Master, and Sir Knight Robert Rolseth, KCT, Right Eminent Department Commander, thank you for your continued service to and support of Missouri Templary, and to me personally. I cannot thank you enough for allowing me to miss your Grand Session as Most Illustrious Grand Sovereign of Red Cross of Constantine so I could be elected and installed as Grand Commander. Please extend to Sir Knight David J. Kussman, GCT, Most Eminent Grand Master, our most sincere appreciation of him and his outstanding leadership of the Grand Encampment.

Below and herein contained, you will find the complete report of the actions and activities of the Grand Commander during the 2024-2025 Templar Year.

Necrology

During the 2024-2025 reporting year, our Grand Commandery has had 71 Sir Knights lay down their swords and join their Master in Heaven. Among the 71 were two Past Grand Commanders. Sir Knight Charles Edward Cooper, Right Eminent Past Grand Commander 2020-2021, who passed away on March 8, 2025; and Sir Knight Robert William Schlichter, Right Eminent Past Grand Commander 2016-2017, who passed away on April 12, 2025. Although we will miss all our departed Sir Knights, I will personally miss Charlie and Bob as they were not only friends but mentors to me and many others. Let us pay our respect to our departed Sir Knights. Our memorial service will be led by Sir Knight Richard A. Riepe, Eminent Grand Prelate.

Memorial Service

It is a custom among Knight's Templar to honor the service of our departed Sir Knights. We are gathered here in Christian sympathy, to pay our tribute of love and affection to the memory of the 71 Sir Knights who have recently gone before us.

All Sir Knights know that in the solemn ceremonies of our Christian order, we often have been reminded of the truth - that we are born to die. We bow our heads in sympathetic sorrow with those whose heart-ties have been broken. Let us, like the martyrs of old, proclaim with jubilation our triumphant faith. Christ's Resurrection is not a fantasy or a dream, it is a reality! It is at such a time as this that we should hear again the gracious words of comfort, consolation, and hope found in God's Sacred Word.

Lord, You alone have been our Dwelling Place in all generations. Before the mountains were brought forth, or even before You formed the earth or the world, even from Everlasting to Everlasting, You are God.

For we know that if our Earthly House of this Tabernacle were dissolved, we have a building of God, a house not made with hands, Eternal in the heavens.

So teach us to number our days, that we may apply our hearts unto Your Wisdom.

Our Lord Jesus Christ said, "Let not your hearts be troubled; you believe in God; believe also in Me. In My Father's House are many mansions; if it were not so, I would have told you. I go to prepare a place for you. And if I go and prepare a place for you, I will come again, and receive you unto Myself; that where I am, there you may be also." (John 14:1-3, NKJV) And, He said, "Peace I leave with you, My peace I give to you; not as the world gives do I give to you. Let not your heart be troubled, neither let it be afraid. (John 14:27, NKJV)

Saint Paul testified, "Who shall separate us from the love of Christ? Shall tribulation, or distress, or persecution, or famine, or nakedness, or peril, or sword?" (Romans 8: 35, NKJV) And, he said, "Nay, in all these things we are more than conquerors through Him that loved us. For I am persuaded that neither death, nor life, nor angels, nor principalities, nor powers, nor things present, nor things to come, nor height, nor depth, nor any other creature shall be able to separate us from the Love of God, which is in Christ Jesus our Lord." (Romans 8: 37-39, KJV)

The Spirit itself bears witness with our spirit, that we are Children of God; and if children, then heirs, heirs of God, and joint heirs with Christ; if it be so, that we suffer with Him, may we also be glorified together. For I reckon that the sufferings of this present time are not worthy to be compared with the glory which shall be revealed in us. For we know that all things work together for good to them that love God and are called according to His purpose.

One of the more difficult tasks that we are called upon to do as Christian Knights, is to say farewell to a fallen comrade. We have stood shoulder to shoulder with them in our opening ceremonies, in our drill competitions, in our parades, and in Memorial services. But now, when we are ordered to "right dress," there is an opening - there is a gap - there is a missing Sir Knight. He was our "strong and steady." It was from him we took directions. It was to him we looked for guidance. He always had our right flank.

If only we had been smart enough to ask him more questions. If only we had spent more time listening to his guidance and instruction. If only we had inquired of him how to put into practice our Knightly obligations. They will be sorely missed!

The vast majority of these Sir Knights have left behind Widows and Families who need our comfort and support. May we never be wrapped up in the "tyranny of the urgent" that we forget the families of those who guided our paths to where we are today.

During your term of leadership, Right Eminent Grand Commander, we have suffered the loss of two Past Grand Commanders of the State of Missouri: Past Grand Commander, Sir Knight Charles E. Cooper, 2020-2021, and Past Grand Commander, Sir Knight Robert W. Schlichter, 2016-2017.

We miss their laughter and their leadership. We miss their guidance and instruction. We miss them greatly!

The Cross is the symbol of the Christian's hope and trust. It calls to mind Gethsemane and Golgotha, but as Christian Knights, we look at the Cross of Our Lord through the open Tomb. The resurrection of Jesus Christ gives us a triumphant Cross.

The Apostle Paul knew the Cross only from the resurrection side. If this inspired Apostle glorified in its truth, so ought we to rejoice in it as a conquering symbol, that death has been vanquished. May this hope, expressed by the Cross, have been the anchor to the soul of each of our fallen Sir Knights; the token to admit them to the Peace of Heaven, where the wicked cease from troubling and the weary are at rest.

To the mourning friends of these Sir Knights and their loved ones, who are most heart-stricken by the loss they have sustained, we tender our sincere sympathy. May your faith in our Heavenly Father bring you peace and hope. God looks down with infinite compassion upon these bereaved ones in their hour of desolation. The same Savior who wept over the grave of Lazarus at Bethany will wrap His boundless love around all those who put their trust in Him.

To our fallen Sir Knights we say farewell. May the sunshine of Heaven beam brightly upon you.

Right Eminent Grand Commander, will you please call the Sir Knights to attention that we may assume an attitude of Prayer.

Almighty God, our loving Heavenly Father, we humbly lift our hearts unto You. Remember in Your loving kindness and mercy these bereaved ones. Please be the comforting Father of all who mourn. Cause us to look above the scene of mortality to the life which lies in Your immortality. Lead us, by Your Grace and Spirit, to seek those things which make for our Everlasting Peace; fix our thoughts more devotedly on You, the only sure Refuge in time of need; and at last when our earthly pilgrimage shall have ended, "when the silver cord shall be loosed, and the golden bowl be broken," will You our Father, be indeed Immanuel - God With Us. May the lamp of Thy love dispel the gloom of the dark valley, and may we be enabled by our faith in Your Son to gain admission into the Blessed Temple above. Almighty God, Great Architect of the Universe, accept our prayers on behalf of your departed servants.

Hear us as we unite in the prayer of Our Lord:

Our Father which art in heaven, Hallowed be Thy name. Thy kingdom come. Thy will be done in Earth, as it is in Heaven. Give us this day our daily bread. And forgive us our debts, as we forgive our

debtors. And lead us not into temptation, but deliver us from evil. For Thine is the Kingdom, and the Power, and the Glory, forever. Amen.

Visitations

Sir Knights, unlike my predecessors SK Rohman and SK Sample who are Supermen, I was unable to visit every Commandery in the State, but everywhere I did travel, I was warmly welcomed and well fed. Everything is not perfect in our State, but our Sir Knights are trying hard and are showing their enthusiasm and love for our Craft.

Granted dispensation to Oriental Commandery No. 35 pursuant to Section 76 to hold elections on April 4, 2025.

May 16, 2025

Granted a waiver to Prince of Peace Commandery No. 29 regarding their Annual Return as the return itself was in the Office on time, but their per capita check could not be written as their Treasurer was hospitalized. Granted a waiver to Ascalon Commandery No. 16 as their Annual Return was delayed due to issues with their Trust that caused a delay in their 990 filing, their paperwork was delayed, but had been mailed prior to the deadline. However, there was no guarantee when it would arrive at the Office. Due to the extenuating circumstances, I did not wish to penalize the membership of the two Commanderies for circumstances out of their control.

Holy Land Pilgrimage

I was very pleased that this committee had selected and arranged for two ministers from Missouri to go to the Holy Land this year. However, due to circumstances the whole world is aware of, this year's trip had to be canceled again. Next year's trip is scheduled, and we truly hope it can be completed.

Grand Encampment Triennial

Pictured left to right – SK Charles Cooper (PGC), SK Thomas Yunick (PGC), SK Richard Mansfield (PGC), SK Budd Gilfillen, SK Stanton Brown II, SK Kevin Sample (PGC), SK Bobbie White (GC), SK Derek Pope, SK Roger Flier (PGC), SK Jessie Morrison, SK William Snyder

On August 17, 2024, SK Budd Gilfillen, SK Derek Pope, SK Jessie Morrison, and I loaded up and headed to Salt Lake City, UT, for the Grand Encampment Triennial. This was a once in a lifetime trip for most of us and we truly enjoyed it. On Monday the 19th we met up with the other members of the Missouri delegation for the start of the Business session. We all enjoyed fellowship together with several of our Ladies at the State Dinner and met several new friends throughout the Session. On Wednesday the 21st we began the trip home, after the obligatory tourist stop at the Great Salt Lake. The trip provided us with many thoughts and ideas for the year ahead and again allowed us to deepen our friendship with discussions, questions, laughter, and ideas. I am grateful to the Missouri Grand Commandery that I was able to represent you there.

Time Capsule

On September 8, 2024, your Grand Commander, along with SK Budd Gilfillen, Aide-de-Camp, SK Larry Walters, and SK Don Gilkerson in his role as Grand Principal Sojourner were able to visit and inspect the Grand York Rite of Missouri Time Capsule. It should be noted that the monument is in need of some general repairs and water sealant to protect it from further weather damage. As my compatriot MEC Michael Dodd stated, "I did notice that the silicone between each piece has deteriorated to the weather which is a minor repair. Then at the very top is a separation in the stone extending from the crest at the top across and running down at an angle to the other side approximately 18 inches down from the top. I feel that in time moisture will separate this and suggest that a monument company be

contacted about going out to clean and buff the entire monument reseal and inspect for recommended repair if deemed necessary." I refer this to the incoming Grand York Rite Officers.

Recommendations

The following recommendations are to be referred to the Grand Commandery and its Officers for consideration, many of these were originally recommended by SK Sample (PGC) and continue to be of importance:

- (1) First and foremost, I continue the wise counsel of SK Kevin Sample, PGC, to reiterate the recommendations of SK Michael Rohman, PGC, for all Sir Knights to read and internalize the Constitution, Statutes, and Decisions of the Grand Encampment, along with the Laws and Regulations of the Grand Commandery of Missouri. This will save you much consternation down the road.
- (2) I also suggest that each constituent Commandery should ensure their Commandery Banner and Beauceant are in good repair and are displayed at every Commandery conclave. Additionally, teach the significance of the Beauceant and drill streamers. In keeping with this, the Attributes shall be presented at all conferrals of the Order of the Temple and not omitted for any reason. Additionally, that drill streamers shall not be discontinued for any reason, but awarded annually to 1st, 2nd, and 3rd place winners in each class of drill depending on how many participants there are in each class.
- (3) Again, I reiterate what SK Kevin Sample, PGC, suggested that the Grand Commandery Finance committee consider establishing a budget line item to cover mandatory expenses of those in attendance for required meetings. Several Grand Commandery Officers have mandatory requirements to attend several Grand Encampment meetings, such as the South-Central Department Conference and the Triennial Conclave of the Grand Encampment.
- (4) I believe that the Grand Commandery should establish official positions for an Assistant Grand Treasurer and an Assistant Grand Recorder and start training our replacements in order to not have a single point of failure should something unforeseen happen and to prepare for the future.
- (5) I concur with my counterpart MIC Matthew Ruth that the Grand Recorder should appoint a committee to begin completing the Preliminary Proceedings as the Grand Recorder is very busy and we are a little behind in that process.
- (6) I suggest that the Incoming Grand Commander appoint a committee to look at our Leadership Training Fund and see if it is being appropriately used or if we need to make some changes, so it is of value to the Grand Commandery.

Lewis and Clark Awards

One of the highest honors the Grand Commander has each year is designating those Sir Knights of Missouri who have distinguished themselves above and beyond the call of duty. There were multiple nominations and all very deserving. However, I am sticking to the original intent of the program, awarding only one per Region and only to non-Grand Commandery Officers. It is, therefore, my

privilege to present the Grand Commandery Lewis and Clark Award to each of the following Sir Knights:

Region 1	None
Region 2	SK Derek Pope, Liberty 6
Region 3	SK Connor Mac Cormick, Kansas City 10
Region 4	SK James Ashby, Rolla 59
Region 5	SK John Caraker, Ascalon 16
Region 6	SK Douglas Rose, Jr., Poplar Bluff 67
Region 7A	SK Michael Spence, St. John's 20
Region 7B	None

Closing Comments

How do you sum up all your thoughts and feelings from the past year? I don't even know where to start. I am very grateful to you Sir Knights for allowing me the privilege to serve you as Grand Commander for this year. I have truly enjoyed my travels this year and have been warmly welcomed everywhere I went. The fellowship I shared with you Sir Knights and your Ladies was amazing and most enjoyable.

To SK Budd Gilfillen and SK Derek Pope, my Aides-de-Camp, I couldn't have done it without you. You two kept me straight, proved excellent counsel and made sure I was where I was supposed to be when I was supposed to be there. To SK Jessie Morrison and SK Mike Wheeler, thanks so much for all you do. Between you four we spent a lot of windshield time together and our friendship is even stronger for it.

To SK Larry Walters and SK Don Gilkerson, and the rest of you wonderful Knights in Liberty Commandry No. 6, I am so grateful to you for all you have done for me. When I made you all Honorary Aides, you took the message to heart and no matter what I needed you came through for me. I hope I did not embarrass you and maybe even made you a little proud.

To all my Appointed Officers and Committee Members, you are the unsung heroes of this Grand Commandery. Without you nothing would have been accomplished during this year. You answered my call for new ideas and action and have performed admirably. Thank You - Thank You - Thank You.

There are so many more I need to thank, but I can't list them all here. Some of them though I must mention. First, SK Teddie Harrison, who got me started in Missouri Freemasonry and got me started down the York Rite trail. Second, SK Rick Mansfield, PGC, who gave me my first job in the Grand Commandery as a Drill Judge. Third, SK Larry Odom, PGC, who was the first to allow me to serve as Regional Grand Commander. And, last but not least, SK Ronnie Green, PGC, who was the first to ask if I might be interested in the Grand Commandery line. To all of the Past Grand Commanders who have tutored me and worked with me to try and teach me some concept of what I should be doing, I say thank you. And, to SK Kevin Sample, PGC, SK Russell Hanson, PGC, and SK Roger Fler, PGC, who did their best to patiently guide me through this year so I didn't break anything or make a

complete fool out of myself, I say thank you. And, I can't forget to thank Ms. Debbie - we couldn't do it without you.

And, lastly, but most importantly, I must thank my lovely and wonderful wife, Lady Gloria Anne Rowe-White. She has stood by me for over 25 years. During this journey of mine in Freemasonry she has walked by my side, tended to my wounds, and cared for me in so many ways. She has cooked countless meals for Lodges, Chapters, Councils, and Commanderies. She has planned untold events and made my life worth living. Thank you my dear, I couldn't have done it without you.

Thank you all!

Fraternally submitted,
SK Bobbie E. White, Grand Commander

REPORT OF ADDRESS OF THE GRAND COMMANDER COMMITTEE

To the Grand Commandery of Knights Templar of the State of Missouri:

Sir Knights,

The Committee on the Address of the Grand Commander has received the Address of the Grand Commander and finds the report to be in proper form, and believe it to be a true and accurate representation of all the actions and activities of the Grand Commander for the past year. We refer all decisions, dispensations, and general orders of the Grand Commander to the Committee on Templar Jurisprudence. We refer his list of recommendations and the requested repairs to the time capsule to the incoming Grand Commander and his Grand Officers.

The committee feels that Sir Knight Bobbie Edward White has fulfilled his duties and responsibilities as Grand Commander of the Grand Commandery of Knights Templar of the State of Missouri with honor and distinction. REPORT OF THE GRAND WARDER

To the Grand Commandery of Knights Templar of the State of Missouri:

Sir Knights,

With this being the first year in the Grand Commandery line, most of the year has been a learning experience for me - learning what events are optional and which are mandatory as well as visiting the region that was assigned to me. The first events that were mandatory were the monthly Grand Commandery Zoom meetings held on the last Sunday of every month. I was able to attend all the scheduled Zoom meetings with the exception of those that were canceled on 22 Sep 2024, 22 Dec 2024, and 25 Jan 2025.

During the course of the York Rite year, I was able to attend many events and visit some of the Commandery's in my region of responsibility. Following is a list of the events I was able to attend:

February 2, 2025	Attended South Central Department Zoom meeting
March 1, 2025	Attended Grand Master's Chapter Day

I had intended to represent the Grand Commandery of Missouri in Idaho in April 2025 at their Grand Sessions. Unfortunately, I ended up battling bronchitis and had to cancel that trip. I do intend to go out next year to represent the Sir Knights of Missouri. Prior to the Missouri Grand York Rite Sessions, I am planning on attending the Region 4 Joint Installation of officers in Rolla on 5 May 2025. I am also planning on attending the stated meeting of St. Graal Commandery No. 12 on 12 May 2025 for the official visit by SK Bobbie White, Grand Commander.

This has been an interesting and learning year. My plan is to expand my visitations to Commanderies I have not been able to get to yet. I am also looking forward to participating in some Grand Commandery committees and helping our organization move forward. I look forward to being able to serve all Sir Knights in the State and represent our organization wherever I may be able to attend.

SK Jeffrey L. Knight, Grand Warder

REPORT OF THE REGIONAL GRAND COMMANDER, REGION 2

To the Grand Commandery of Knights Templar of the State of Missouri:

Sir Knights,

I am pleased to present this report for Region 2 of the Grand Commandery of Knights Templar of the State of Missouri.

Introduction

This report summarizes the activities and conditions of Region 2 consisting of Lexington, Liberty, and St. Joseph Commanderies and surrounding areas for the current reporting period. Region 2 has experienced continued, moderate membership growth and active participation in Grand Commandery events.

Membership and Participation

Members of the Region 2 Commanderies continue to actively participate in the Independence Festivals and the Grand Commander's Crusade in April 2025 where approximately 30 new Sir Knights were Knighted.

Region 2's Regional Conference, in Lathrop, was attended well with Sir Knights from all over the State. A strong effort is being made to keep York Rite information before the Symbolic Lodges.

Sir Knights within Region 2 diligently perform ritual throughout the State, especially in Western Missouri. Leadership within Region 2 continues to explore strategies to recruit and engage members. We continue to believe our efforts indicate a positive trend among newer members, demonstrating a willingness to actively participate in Commandery activities. Officer lines remain strong across all three Asylums.

Regional Activities and Initiatives

Region 2 is blessed to have received and continue to receive wisdom, guidance, and mentorship from a strong Grand Commandery line.

Grand Commandery Laws and Regulations, official visits, and inspections were conducted as soon as possible after the close of the last Grand Conclave. These visits facilitated the dissemination of the Grand Commander's message and provided an opportunity for continued fellowship.

Discussions outlining expectations, required materials, and contact information preceded these visits. Prior to each Conclave, briefings were held with Leadership to address concerns and answer questions related to the visit and general Templary matters.

Discussions focused on topics outlined in the Inspection Reports and individual Commandery issues. The hospitality and support provided by the Commanders and their Staffs at each Asylum were exemplary.

Challenges and Opportunities

While the region enjoys a dedicated core of Fraters and Sir Knights committed to the Order, York Rite Masonry, and the Fraternity, addressing declining attendance remains a key priority.

Positive growth continues to be a challenge as an aging membership competes with new Sir Knights. Exploring innovative strategies to engage members remains a priority with all.

Future Plans

I remain committed to continued visitation and supporting the current and future leadership within each Commandery.

Conclusion

It was an honor to represent SK Bobbie White, Right Eminent Grand Commander of the Grand Commandery of Missouri, and to serve this esteemed body. I am grateful for the opportunity to contribute to the Order and this Grand Jurisdiction. This report is respectfully submitted for your review.

Fraternally submitted,
SK Lloyd G. Lyon, Regional Grand Commander, Region 2

REPORT OF THE REGIONAL GRAND COMMANDER, REGION 4

To the Grand Commandery of Knights Templar of the State of Missouri:

Sir Knights,

Introduction

This report summarizes the activities and condition of Region 4 (Columbia, Jefferson City, and Rolla areas) for the current reporting period. Region 4 has experienced continued membership growth and active participation in Grand Commandery events.

Membership and Participation

Region 4 participated in two Order conferrals during this period, Poplar Bluff Commandery No. 67 in October 2024 and the Grand Masters Crusade in April 2025, resulting in approximately 30 new Sir Knights (Statewide). Region 4 was also well-represented at the Region 7 Conference in Bolivar, the Region 6 Conference in Poplar Bluff, and the Region 4 Conference in Jefferson City. Growth is primarily attributed to the dedicated efforts of Sir Knights within each Commandery who actively present the York Rite Bodies to the Symbolic Lodges. While attendance and participation remain a challenge mirroring trends across Freemasonry, our Sir Knights continue to perform rituals diligently and explore strategies to engage members in an increasingly digitally focused society. Initial assessments indicate a positive trend among newer members, demonstrating a willingness to actively participate in Commandery activities. Officer lines remain strong across all three Asylums.

Regional Activities and Initiatives

Region 4 benefits from the wisdom and guidance of several current and past Grand Commandery Officers residing within its borders. Their mentorship and example are invaluable to all Sir Knights. Following Section 224 of the Grand Commandery Laws and Regulations, official visits and inspections were conducted shortly after the close of the last Grand Session. These visits facilitated the dissemination of the Grand Commander's message and provided an opportunity for introductions. A memorandum outlining expectations, required materials, and contact information preceded these visits. Prior to each Conclave, briefings were held with Commandery Officers to address concerns and answer questions related to the visit and general Templary matters. Discussions focused on topics outlined in the Inspection Reports and individual Commandery issues. Addressing the Sir Knights at-large, I emphasized the importance of fostering strong leadership, building a vibrant community, pursuing excellence, and developing engaging programs to attract both current and prospective members. The hospitality and support provided by the Commanders and their Staffs at each Asylum were exemplary.

Challenges and Opportunities

While the region enjoys a dedicated core of Fraters and Sir Knights committed to the Order, York Rite Masonry, and the Fraternity, addressing declining attendance remains a key priority. Exploring

innovative strategies to engage members, particularly in light of societal shifts toward virtual interaction, is crucial.

Future Plans

While my initial goal of two visits per Commandery has been challenging due to scheduling constraints, I remain committed to continued visitation and supporting the current and future leadership within each Commandery.

Conclusion

It was an honor to represent SK Bobbie White, Right Eminent Grand Commander of the Grand Commandery of Missouri, and to serve this esteemed body. I hold deep respect for our mission, traditions, and the Sir Knights who comprise the Grand Commandery. I am grateful for the opportunity to contribute to the Order and this Grand Jurisdiction. This report is respectfully submitted for your review.

REPORT OF THE REGIONAL GRAND COMMANDER, REGION 5

REPORT OF THE REGIONAL GRAND COMMANDER, REGION 6

To the Grand Commandery of Knights Templar of the State of Missouri:

Sir Knights,

Region 6 had a very successful year for the Grand Commandery. In October, we had a festival in Poplar Bluff, Knighting 17 new Knights. Poplar Bluff continues to grow stronger under the Leadership of SK Doug Rose. He has developed and implemented new education programs.

Cape Girardeau has continued to develop under the Leadership of SK Chris Whrenberg. He also developed an outstanding education program. It is also the first time we have participated in the State conclave in Kansas City.

Region 6 continues to increase its membership and improve its ritual. We have a working relationship with Region 4. It's been an honor to serve as the RGC of this region.

Fraternally submitted,
SK Dennis W. Houck, Regional Grand Commander, Region 6

REPORT OF THE REGIONAL GRAND COMMANDER, REGION 7A

To the Grand Commandery of Knights Templar of the State of Missouri:

Sir Knights,

York Rite Masonry is strong in Southwest Missouri. Our joint Region 7A and 7B annual conference was well attended by the Grand Commander and many Sir Knights of 7A. I was received during official visits to Lebanon No. 33, St Elmo No. 43, and St John's No. 20. Unfortunately, Constantine No. 27 was unable to open during my scheduled visitation to them on November 7, 2024. Constantine Commandery has been struggling with membership participation and has not been able to open as a body for some time. Lebanon Commandery is very active in the Lebanon and SW Missouri communities through the Symbolic Lodges and Shriners International (Laclede County Shrine Club). St Elmo is an active Commandery working on building their membership. They frequently visit St John's Commandery in Springfield, MO. The York Rite bodies located in Springfield and Bolivar regularly assist each other with degree work. Both St. John's and St. Elmo have discussed forming a Drill Team; however, have not had much success with participation from the membership. All 7A Commanderies and their officers have been encouraged to attend the statewide Drill Competition each year to observe the performance of other Commanderies in order to gain confidence in the ability to do the work.

It has been my extreme honor to have served the Sir Knights of Region 7A as their Regional Grand Commander this year.

To the Grand Commandery of Knights Templar of the State of Missouri:

Sir Knights,

REPORT OF TEMPLAR JURISPRUDENCE COMMITTEE

To the Grand Commandery of Knights Templar of the State of Missouri:

Sir Knights,

The Templar Jurisprudence committee has reviewed the General Orders issued, Dispensations granted, and the By-laws changes approved for constituent Commanderies and all other relevant matters pertaining to the business of the Craft acted upon by the Grand Commander. In our opinion, the Grand Commander has complied with the statutory duties, responsibilities, and inherent powers of his office. Our Grand Commander is to be commended for his specific interest and attention to the Craft during this past year.

The committee thanks the Grand Commander for the honor and privilege of being selected to serve this Grand Commandery during his year. His recommendations will be referred to the appropriate committees for review and we express the hope for his continued successes in the years ahead.

Our congratulations to Sir Knight Bobbie E. White, Right Eminent Grand Commander, for an outstanding and successful year. In our estimation, you have performed your duties and responsibilities in an exemplary manner.

I move the adoption of this portion of the report.

In the proposed legislation that follows, deletions appear in ~~strike through~~, additions appear underlined.

Legislation for Action at the 2025 Grand Commandery Annual Conclave.

Item No. 1

Proposal to amend the **Laws And Regulations** of the Grand Commandery of Knights Templar of the State of Missouri to read as follows:

The following proposal shall consist of multiple proposals to multiple sections to be considered collectively.

Part 1

ARTICLE III, Committees, Section 36. Duties of Standing Committees.

G. The Triennial Committee shall consist of two Past Grand Commanders and a Grand Officer who in due course will be eligible to attend the next triennial conclave as a representative of this Grand Commandery, to be appointed at the annual conclave following the triennial conclave of the Grand Encampment of the United States and who shall serve for three years. The committee shall have charge of hotel reservations, entertainments entertainment and arrangements for the Grand Commandery at the Grand Encampment and shall submit an itemized report of receipts and expenditures. (Amended 6/14/2025)

Part 2**ARTICLE XV, Miscellaneous, Section 205. Triennial Fund.**

There shall be appropriated annually ~~twenty-five cents~~ one dollar (\$1.00) per member for each Sir Knight on the rolls of the Grand Commandery on the 31st day of December of the preceding year, to be set apart as a Triennial Fund. The Grand Commander, Deputy Grand Commander, Grand Generalissimo, Grand Captain General, Grand Recorder, Past Grand Commanders and all Missouri Grand Commandery Registered Delegates in attendance who are entitled to vote at the Triennial Conclave shall be eligible to receive money reimbursement from this fund, for all expenses deemed appropriate by the Triennial Committee. Appropriate expenses considered shall be limited to Registration Fees, Lodging during the Triennial Conclave only, and meals provided as part of the Triennial Conclave. Travel and any other expenses will not be considered to be appropriate. The amount of payment reimbursement is to be determined by the Triennial Committee from the amount of money on hand.

The Committee of Finance and Accounts shall include in its appropriations at each annual conclave the sum so set apart as provided in the preceding paragraph to the credit of the Triennial Fund. (Amended 05/19/06, 06/10/16, 6/14/2025)

STATEMENT OF PURPOSE:

The current Triennial Fund assessment of twenty-five cents does not come close to covering even the registration fee for the Triennial Conclave. The Grand Commandery of Missouri should be responsible for reasonable reimbursement to those officers required by Grand Encampment to attend the Triennial Conclave of the Grand Encampment in accordance with Section 67 of the Grand Encampment Constitution, Statutes, and Decisions. The Grand Commandery of Missouri should not require Missouri Sir Knights to attend Grand Encampment Triennial Conclaves without providing at least some reimbursement for expenses incurred and the current allotment is woefully insufficient.

STATEMENT OF PURPOSE:

These collective legislative changes are necessary to reimburse those officers required by Grand Encampment to attend the Triennial Conclave of the Grand Encampment in accordance with Section 67 of the Grand Encampment Constitution and Statutes. REPORT OF FINANCE AND ACCOUNTS COMMITTEE

To the Grand Commandery of Knights Templar of the State of Missouri:

Sir Knights,

The Finance and Accounts Committee participated in several financial review Zoom meetings held by the Grand Commandery Officers during the fiscal year. The Grand Treasurer’s office provided instructions on how the General Fund financial records on the Grand York Rite DropBox cloud storage system were kept. The committee is satisfied that the Grand Recorder’s office and the Grand Treasurer are doing an exceptional job handling the monies and maintaining the financial records of the Grand Commandery.

Of critical importance, through the efforts of the Grand Treasurer, we are now fully aware of all monies in all accounts and the Grand Treasurer is actively working with the Investment Committee, with the approval of the Finance and Accounts Committee and the Grand Commander, to move excess funds into real long-term investments which are managed by the new Investment Committee. A business decision was made this year regarding investment accounts that feed the general fund annually, that we will NOT forecast earnings from year to year to use as general fund income as may be deemed more traditional in the development of annual budgets. However, instead, earnings from those investment accounts such as the General Fund Investment Account and the Endowed Membership Investment Account will be calculated in April of each year to determine real earnings from the previous reporting period and those earnings, being real earned income, will be used as income items for the following year’s budget. For example, the earnings from the General Fund Investment Account from April 2025 through March 2026 will be used for the 2026-2027 budget.

As those earnings and calculations are not available for this year’s budget, they have been left blank at \$0.00. However, please understand that this in no case means that we are not earning money in those investment accounts, we are simply not able at this time to determine the earnings from the previous reporting period with such accuracy as is needed and should be expected from the membership, and, we needed to develop a starting point following the movement of those excess funds into new or revised investment accounts during this past year. This starting point, or what we have termed “base” amounts, have been determined this past year and we are starting from there. The same can be said for the Endowed Membership Investment Account, which will be more proactively engaged during the next reporting year. Even though the proposed budget below shows a deficit, we anticipate it will be closer to zero at the end of the year.

For the edification of the Grand Commandery Officers and all concerned, regarding recapitulation, an annual recapitulation of the budgeted income and expenses from the previous year must be reported. This has not been accomplished in quite some time due to lack of information and clarity. Now that we have a clear understanding of all income and expenses through the efforts of the Grand Treasurer, this reporting is provided below. Understand, the very detailed reports of the Grand Treasurer clearly define all monies coming and going through his hands, some of those being general fund related, and some not. For the purpose of recapitulation, we are only looking at how our income and expenses played out with regard to the approved budget. It should be clearly noted that while very minor variances in spending may be overlooked, no officer or committee has the authority to grossly overspend the approved budget without approval of both the Finance and Accounts Committee and the Grand Commander, and such modification provided to the Grand Recorder and Grand Treasurer. As the finances of the Grand Commandery are reviewed monthly with the Grand Treasurer, it is incumbent on all involved to ensure we do not get in such a case without going through a process to "amend" the budget throughout the year, which would then need to be ratified by this Grand Commandery at its Annual Conclave.

Additionally, should an interim recapitulation report be provided, as indicated below through April 9, 2025, it is incumbent upon this committee to submit an annual recapitulation for the entire reporting period at the next annual assembly.

2024-2025 INTERIM RECAPITULATION

The Committee on Finance and Accounts submits the recapitulation of the 2024-2025 Budget vs. the report of income and expenses provided by the Grand Treasurer as of April 9, 2025.

**REPORT OF INVESTMENTS COMMITTEE
Preliminary/Final Reports Analysis**

To the Grand Commandery of Knights Templar of the State of Missouri:

Sir Knights,

A true financial picture of the Grand York Rite of Missouri’s fiscal state is now available. In March of 2025 surplus funds were passed to the Investment Committee for action. In consultation with the Finance and Accounts committee, these funds were bundled as one (while tracking their pro rata apportionment) and placed into the Capitol Groups Investment Company of America Mutual fund. This mutual fund has existed for over 80 years and seeks to provide long-term growth of capital and income with a focus on future income over high current yield. We now have a clear picture of how funds are managed. Commingling has ceased and funds are now segregated. Funds are now allocated to the Chapter, Council, and Commandery, and ready for each body to begin their individual management and governance. Reporting is taking place, and checks are being deposited in a reasonable time frame.

Looking forward, the Investment Committee will further examine opportunities for a more individualized approach for each Grand Commandery fund need.

PRELIMINARY REPORT OF THE GRAND TREASURER Financial Statement for June 1, 2024 through March 31, 2025

To the Grand Commandery of Knights Templar of the State of Missouri:

Sir Knights,

Our second year as your Grand Treasurer has been very busy. However, we still have more work to do in this next year in order to resolve the remaining issues.

Grand Commandery Clerical Assistant

Lady Debbie Hanson continues to be payed quarterly which aligns with the demands of reporting our Employee to the State and Federal Governments as well as making the requisite deposits/contributions.

The IRS 941 Employer's Quarterly Federal Tax Return forms for the four quarters of calendar year 2024 have been filed and all deposits made for Social Security, Medicare, and Federal Withholding Tax using the EFTPS portal. Included in those deposits were both the Employee and Employer monetary portions. In addition, the IRS 940 Employer's Annual Federal Unemployment (FUTA) Tax Return form for calendar year 2024 has been filed and the deposit made.

The IRS 941 Employer's Quarterly Federal Tax Return form for the first calendar quarter of 2025 has been filed and the deposit made for Social Security, Medicare, and Federal Withholding Tax using the EFTPS portal. Included in that deposit was both the Employee and Employer monetary portions.

The Missouri Division of Employment Security (DES) quarterly unemployment insurance reports for the four quarters of calendar year 2024 have been filed and all contributions, if any, made using the DES web portal. The unemployment insurance report for the first calendar quarter of 2025 has been filed and the contributions, if any, made using the DES web portal.

The Missouri Department of Revenue's (DOR) MO-941 Employer's Return of Income Taxes Withheld for calendar year 2024 has been filed and the withholding tax, additions, interest, and processing fee made using the DOR web portal.

The 2024 W-2 Wage and Tax Statement for Lady Hanson and the 2024 W-3 Transmittal of Wage and Tax Statements were filed and accepted by the IRS.

Grand Commandery IRS Tax Status

The IRS tax exempt status of the Grand Commandery remains unresolved. I have recommended that the Finance and Accounts Committee work on finding an outside agency to assist with the resolution of the issue.

The Grand York Rite of Missouri IRS Form 990-N (e-Postcard) for the tax year ending March 31, 2025, was successfully filed and accepted by the IRS. In addition, the Grand Commandery Educational Foundation IRS Form 990-N (e-Postcard) for the tax year ending December 31, 2024, was successfully filed and accepted by the IRS.

Grand Commandery Missouri Certificate of Incorporation

The Grand Commandery has a Certificate of Incorporation with the Missouri Office of the Secretary of State, with Articles, in all respects, comply with the requirements of Missouri Nonprofit Corporation Law. In addition, the Missouri Grand York Rite has a Certificate of Incorporation with the Missouri Office of the Secretary of State, with Articles, in all respects, comply with the requirements of Missouri Nonprofit Corporation Law. Also, the Grand Commandery Educational Foundation has a Certificate of Incorporation with the Missouri Office of the Secretary of State, with Articles, in all respects, comply with the requirements of Missouri Nonprofit Corporation Law. These certificates are required in order to establish business bank accounts in Missouri.

I filed the 2024 Annual Registration Reports for a Domestic Nonprofit Corporation for the Grand Commandery, the Missouri Grand York Rite, and the Grand Commandery Educational Foundation, and paid the required registration and processing fees. The reports were accepted by the Missouri Secretary of State's Office.

Recovery of Outstanding Check Money

One issue that was discovered after becoming the Grand Treasurer was a large number of checks that were not deposited by the previous Grand Treasurer from May 2022 through March 2023.

As Chapters, Councils, and Commanderies, as well as individuals, have contacted me concerning outstanding checks I have worked with them to obtain replacement checks for their outstanding checks.

In August 2024, Kevin B. Sample volunteered to assist with the recovery of outstanding checks. Kevin was asked to work on the recovery of outstanding Endowed Membership checks (a total of \$13,532.00). There were seventeen outstanding checks across all three Grand Bodies. Between August 2024 and January 2025, all outstanding Endowed Membership checks were replaced and deposited.

In October 2024, I began working on outstanding checks received during May 2022 (a total of \$1,210.00). I began with eight outstanding checks. One outstanding check had already been replaced but the replacement check had not been connected with the corresponding outstanding check. One outstanding check was confirmed as still valid and had been successfully deposited. Two outstanding checks were replaced and the replacement checks were deposited. Of the remaining four outstanding checks, I was able to contact two of the issuers. Only one issuer agreed to send a replacement check, but I have yet to receive the replacement check. The outstanding checks of the two issuers

that could not be contacted and the one issuer that I did contact, but did not agree to send a replacement check, are unrecoverable (a total of the \$397.00).

In January 2025, Christopher L. Story volunteered to assist with the recovery of outstanding checks. Christopher was asked to work on the recovery of outstanding RARA donation checks (a total of 1,161.50). There were seven outstanding checks. Between January 2025 and the date of this report, four outstanding RARA donation checks have been replaced and we are watching for the replacement checks for the remaining two outstanding checks.

In March 2025, Christopher was asked to work on the recovery of outstanding CMMRF donation checks (a total of \$333.75). There were three outstanding checks. Between March 2025 and the date of this report, one outstanding CMMRF donation check has been replaced and we are watching for the replacement checks for the remaining two outstanding checks.

Here is an accounting of the outstanding checks that I have in hand awaiting resolution: July 2022 Charity Fund, 5 checks, \$310.50; July 2022 General Fund, 21 checks, \$3,414.00; July 2022 Supply Fund, 8 checks, \$1,145.00; November 2022 Charity Fund, 1 check, \$160.00; November 2022 Supply Fund, 8 checks, \$1,738.49; January 2023 Charity Fund, 2 checks, 1,200.00; January Supply Fund, 7 checks, \$1,363.34; March 2023 Charity Fund, 2 checks, \$1,573.75; March General Fund, 19 checks, \$9,600.34; and March 2023 Supply Fund, 2 checks, 118.50. This represents a total of \$20,623.92.

There may, in fact, be more outstanding checks that were not physically recovered, that will be discovered when the records of the period of June 2022 through March 2023 are reviewed.

Recovery of outstanding checks will continue during the next fiscal year.

Long-Term Investment of Funds

One issue that carried over from last year was the investment of certain investable monies in long-term investment instruments.

The investable funds across the Grand Bodies are: Jefferson Bank General Fund Hold accounts (JB GrCH GF Hold, JB GrCO GF Hold, & JB GrKT GF Hold), Jefferson Bank Foundation Fund/Charity Endowment Fund Hold accounts (JB GrCH FF Hold, JB GrCO CEF Hold, & JB GrKT CEF Hold), and Jefferson Bank Endowed Membership Fund Hold accounts (JB GrCH EMF Hold, JB GrCO EMF Hold, & JB GrKT EMF Hold).

The investable select funds are: Jefferson Bank GrCH Palmyra Fund Hold account (JB GrCH PF Hold), Jefferson Bank GrKT Holy Land Pilgrimage Fund Hold account (JB GrKT HLPF Hold), and Jefferson Bank GrKT Educational Foundation Fund Hold account (JB GrKT EdF Hold).

After significant work by the Finance and Accounts Committees and the Investment Committees, the status of investable monies was determined and an investment plan developed. It was decided that new Capital Group investments would go into the Investment Company of America (AIVSX, aka Am Inv) mutual fund. The purchase limit for Am Inv is \$100,000.00 per day. In addition, the investment level across the Grand Bodies is sufficient that all purchases can be made at Net Asset Value (NAV) so there are no fees.

The Capital Group 1 account (CG1) is a commingled account containing Grand Chapter money, Grand Council money, and Grand Commandery Educational Foundation money. The CG1 account is tied to the Jefferson Bank Grand Chapter General Fund Operating checking account (JB GrCH GF Op) for ACH transfers.

The Capital Group 2 account (CG2) is a Grand Commandery only account. The CG2 account is tied to the Jefferson Bank Grand Commandery General Fund Holding account (JB GrKT GF Hold) for ACH transfers.

The Capital Group 3 account (CG3) is a Grand Commandery Educational Foundation only account. I have not determined what Jefferson Bank Grand Commandery account is tied to the CG3 account for ACH transfers.

In March 2025, I was given approval by the Grand Chapter Investment Committee to invest \$74,722.00 of JB GrCH GF Hold account money in Am Inv funds under the CG1 account. The earmarked money was transferred from the JB GrCH GF Hold account to the JB GrCH GF Op account.

In March 2025, I was given approval by the Grand Council Investment Committee to invest \$175,778.00 of JB GrCO GF Hold account money in Am Inv funds under the CG1 account. The earmarked money was transferred from the JB GrCO GF Hold account to the JB GrCH GF Op account.

During the period of March 18th through March 24th, the earmarked GrCH and GrCO monies in the JB GrCH GF Op account were invested by purchasing shares in the Am Inv Fund under the CG1 account through our Jefferson Bank Financial Advisor.

In March 2025, I was given approval by the Grand Commandery Investment Committee to invest \$231,474.00 of JB GrKT GF Hold account money in Am Inv funds under the CG2 account.

During the period of March 25th through March 27th, the earmarked GrKT money was invested by purchasing shares in the Am Inv Fund under the CG2 account through our Jefferson Bank Financial Advisor.

In April 2025, I was given approval by the Grand Chapter Investment Committee to invest \$149,329.00 of JB GrCH FF Hold account money in Am Inv funds under the CG1 account. In May 2025, the earmarked money was transferred from the JB GrCH FF Hold account to the JB GrCH GF Op account.

In April 2025, I was given approval by the Grand Council Investment Committee to invest \$35,086.00 of JB GrCO CEF Hold account money in Am Inv funds under the CG1 account. In May 2025, the earmarked money was transferred from the JB GrCH CEF Hold account to the JB GrCH GF Op account.

During the period of May 5th through May 6th, the earmarked GrCH and GrCO monies in the JB GrCH GF Op account were invested by purchasing shares in the Am Inv Fund under the CG1 account through our Jefferson Bank Financial Advisor.

In May 2025, I was given approval by the Grand Commandery Investment Committee to invest \$12,995.00 of JB GrKT CEF Hold account money in Am Inv funds under the CG2 account. The

earmarked money was transferred from the JB GrKT CEF Hold account to the JB GrKT GF Hold account.

In May 2025, I was given approval by the Grand Commandery Investment Committee to invest \$85,013.00 of JB GrKT HLPF Hold account money in Am Inv funds under the CG2 account. The earmarked money was transferred from the JB GrKT HLPF Hold account to the JB GrKT GF Hold account.

In May 2025, the earmarked GrKT CEF and GrKT HLPF monies in the JB GrKT GF Hold account were invested by purchasing shares in the Am Inv Fund under the CG2 account through our Jefferson Bank Financial Advisor.

Grand Treasurer's Office

Your Grand Treasurer has worked diligently to bring transparency to the office. I attended all of the Grand Commandery Grand Officer Zoom meetings. During those meetings, I provided requested financial review briefings to the Grand Officers and answered questions that the Grand Officers asked concerning the finances of the Grand Commandery.

During this year, I completed the goal of redeeming all Grand Commandery Certificates of Deposit (CD) when each CD matured as specified by the Finance and Accounts Committee and the Investment Committee.

Last year, the Grand Treasurer's Office received thirteen banker boxes of historical paper records from the office of the previous Grand Treasurer. As I commented last year, the task of reviewing the mountain of documents is daunting. However, with the significant help of Roger Fleer, the contents of the boxes have been reviewed once thus far.

As the Assistant to the Secretary/Treasurer of the Grand Commandery Educational Foundation, I attended many of the Foundation Zoom meetings. During those meetings, I provided financial information and answered questions from the Foundation members.

**REPORT OF GRAND RECORDER'S OFFICE
2025 Summary Report**

To the Grand Commandery of Knights Templar of the State of Missouri:

Sir Knights,

To begin, I wish to thank the membership of the Grand Commandery of Missouri for the faith and support I have received this past year. The Grand York Rite office, consisting of Lady Debbie Hanson, SK Russell Hanson (PGC), SK Kevin Sample (PGC), and SK Donald McCormick, has been successful this past year due to the excellent working relationship between all parties.

The one constant in this job is change. The Grand Commandery recognized a net loss of membership from 2024 to 2025; however, the rate of loss has slowed. The membership now stands at slightly more than 1,300 Sir Knights dispersed throughout the State. We still maintain a constituent unit membership of 24 Commanderies. Some are in better operating condition than others. Through the efforts of the immediate Past Grand Commanders and the current Grand Commander, improvements continue to be made for the Commanderies to succeed.

Your Grand Commander made several decisions that proved to increase organizational participation within the Grand Commandery. With input from the Grand Lecturer and Assistant Grand Lecturers, a Class D Drill program was developed and made available. Although there were no Class D Drill Teams in competition this year there are several Commanderies that are committed to enter teams next year. Additionally, Sir Knight White requested all Commanderies to actively participate in the Honor Commandery Award program for deserved recognition of the work they are performing. As a result there were 16 Commanderies submitting HCA applications for consideration. With the assistance of the Education Committee an additional category of the HCA was added, this is the Honor Commandery Award with Distinction.

As to my activities over the past year, in addition to daily, weekly, and monthly administrative activities, I had the opportunity to represent the Grand Commandery at a number of functions. In August of 2024, ten Sir Knights and I represented the Grand Commandery of Missouri at the Grand Encampment Triennial held in Salt Lake City, Utah. The delegation comprised of the current Grand Commander, 5 Past Grand Commanders, 2 proxies, and three Sir Knights at large. Among the matters discussed was the affirmation of the actions taken at the Grand Encampment called Special Conclave in Fort Wayne, Indiana, in 2022. The actions were approved. Elected Grand Encampment Officers for this next triennium are Sir Knight David Kussman - Grand Master, Sir Knight Jeffrey Bolstad - Deputy Grand Master, Sir Knight Jack Harper - Grand Generalissimo, Sir Knight James McGee - Grand Captain General, Sir Knight David Studley - Grand Treasurer, and Sir Knight Lawrence Tucker - Grand Recorder. Sir Knight Robert Rolseth was appointed to serve as the South-Central Department Commander.

I was present at all seven Regional Conferences. The conferences this year were designed to answer needs for specific activities within each Region. Because of this, the structure of the conferences were fluid and varied. Overall, the Regional Grand Commanders worked well with their counterparts in the Grand Chapter and the Grand Council. There will be a major shift regarding Regional Conferences this fall. There will be only one conference held in St. James, MO, on the first Friday/Saturday in September of 2025.

Conferral festivals continue to be the means of creating new members. I was present at the Region 6 conferrals last fall. The cast comprised of members from 4 Commanderies. Their work was outstanding. The Grand Master's Knight Templar Crusade conferral was held again in the Kansas City

area at Oriental Commandery No. 35. Exceptional ritualists from across the State portrayed the conferrals in full form. The candidates had the opportunity to not only see and participate in great ritual, but the setting at the 903 Harrison added a deep sense of history and tradition to the proceedings.

In other activities for the year for me, I was a part of a contingent of Grand Commandery Officers present for the installation of Lady Tara Ornsbey and Lady Tina Woolsey into the Grand and Supreme Conclaves of the True Kindred.

I had the opportunity to represent the Grand Commandery and Sir Knight White at the Annual Convention of the Missouri DeMolay over the Memorial Day weekend.

This past year we paid our final farewells to Sir Knight Charles E. Cooper, Right Eminent Past Grand Commander, 2020-2021, and Most Excellent Companion and Sir Knight Robert W. Schlichter, Past Grand High Priest, 1998-1999, and Right Eminent Past Grand Commander, 2016-2017. These two gentlemen left a huge footprint in Missouri Masonry, in general, and the Grand Commandery in particular. It was my honor to attend and participate in their Templar Services.

Administratively, there were 10 Grand Commandery Officer virtual meetings for the year, 3 South-Central Department virtual meetings thus far, 5 Knight Templar Educational Foundation virtual meetings, several York Rite Beacon virtual meetings, and planning meetings for this and next year's annual sessions. There are a lot of activities not seen by our rank-and-file members. Within the York Rite there are gentlemen that contribute far more hours in these meetings due to their positions. I would specifically call out SK MacCormack, SK Hanson (PGC), and SK Sample (PGC) for their commitment. There were several in person meetings of the office staff throughout the year. These were held in Columbia, MO.

I serve as the Secretary/Treasurer for the Knight Templar Educational Foundation (GrKT EdF). I spent at or about 18 hours combing through past Grand Commandery records collecting financial information related to GrKT EdF. This data is located at the Office in Fayette and will eventually be scanned and stored within the Dropbox system. In addition to the virtual meetings and information diving, I processed 10 applications for GrKT EdF scholarships for students. Letters of approval have been sent to the successful recipients. Once I receive their school finance office information, then checks will be cut and forwarded on their behalf to the institution of their choosing. This year we have our first student scholar attending Missouri State Technical College. The GrKT EdF, chaired by Sir Knight Thomas Yunick (PGC), has made several changes as to how GrKT EdF funds are maintained and managed. We have opened several outside brokerage accounts. This was done with the intent of securing and improving better interest yields for the GrKT EdF money. There is a plan to make the GrKT EdF more active and responsive to student access.

This past year our Office staff spent time previewing this location, the Marriott Country Club Plaza, for this annual session. We also previewed three hotel locations last fall in St Louis for the 2026 annual sessions. The contract for 2026 is inked and processed. The 2027 and 2028 annual sessions are scheduled for Springfield, MO, at the University Plaza Hotel.

In closing I would like to acknowledge the people that work diligently behind the scenes to make your annual sessions productive, entertaining, and pleasurable. The Ladies that make us look good from the planning phase through execution - Lady Tina Woolsey, Lady Tara Ornsbey, and your GYR administrative guru Lady Debbie Hanson - we are better for your counsel and work. I wish to thank SK Donald MacCormack for all he has done. His skill, planning, and technology capabilities have come to my aid many times over the years. I wish to thank SK Russell Hanson (PGC) for his friendship, wise counsel, and dogged determination. Although his demeanor is that of a fine watch builder, his store of information and willingness to keep me informed is one of the reasons my tenure has been successful. To SK Kevin Sample (PGC), thank you, Sir, for your drive, motivation, and leadership - we are a better organization for your input and support. Finally, my sincerest debt of gratitude to you, the members of this Grand Commandery. Without your continued support and participation, we are nothing. It has been my honor to serve as your Grand Recorder.

Fraternally submitted,
SK Roger D. Fler, PGC, Grand Recorder

REPORT OF DRILL COMPETITION COMMITTEE

To the Grand Commandery of Knights Templar of the State of Missouri:

Sir Knights,

The Grand Commandery Drill Competition Committee is pleased to report that seven Constituent Commanderies participated in the 2025 Drill Competition Event held on Saturday, April 19, 2025, in Columbia, MO, at the Columbia Masonic Complex.

We were very pleased to introduce the Class D Drill Team which consists of a total of 5 Sir Knights (5 Officers). The Class D Drill Teams use a Drill Competition tactic based on a limited subset of a portion of the full form opening without lines. The Class D Drill Teams use hand salutes only.

All Commanderies were allowed to register and participate in the Drill Competition Event in any single Class (Class A, Class B, Class C, or Class D) as a competing class or non-competing class drill team regardless of any previous participation. A competing class consists of two or more Drill Teams in that class. A non-competing class consists of only one Drill Team in that class (except for Class D).

Certificates of Participation were awarded to each registered Commandery that participated in the Drill Competition Event. First Place, Second Place, and Third Place Certificates of Placement will be awarded to the top three Drill Teams in each competing class.

For a competing class; blue First Place drill bars, red Second Place drill bars, white Third Place drill bars, and brass drill bars will be awarded. For a non-competing class, yellow drill bars will be awarded. For all Class D Teams, purple drill bars will be awarded.

Initially, we had nine Commanderies registered. However, due to circumstances associated with participation issues, a Class B Drill Team and our only Class D Drill Team had to withdraw from the competition.

Here is the list of Commanderies that participated.

See Page 113 in Volume 3 - Addendum for 2025 Drill Competition Awards

Competing Commanderies:

- Liberty Commandery No. 6 - Class B
- St. Graal Commandery No. 12 - Class B
- Ascalon Commandery No. 16 - Class B
- Ely Commandery No. 22 - Class B
- Rolla Commandery No. 59 - Class B

Exhibition Commanderies:

- Prince of Peace Commandery N. 29 - Class C
- Palestine Commandery No. 17 - Class A

Here are the names of the Drill Judges.

- Judge 1 – SK Roger D. Fler, PGC
- Judge 2 – SK Michael C. Rohman, PGC (substituting for SK Joseph S. Russell)
- Judge 3 – SK Bobbie E. White (substituting for SK Corey B. Huntsucker)
- Judge 4 – SK Terry D. Coppotelli
- Judge 5 – SK Donald E. Gilkerson (substituting for SK Michael C. Rohman, PGC)

The day began at 7:00 am with opening of the York Rite Building and Scottish Rite Building followed by setup in each building. The York Rite Office set up in the York Rite Building Library, the practice room was set up in the Lodge Hall, and the food concessions were set up in the York Rite Building Dining Room. Coffee and donuts were enjoyed by the committee and the early attendees. The Scottish Rite Main Room was set up for the Drill Competition and the Scottish Rite Conference Room was set up for receiving Drill Entry forms.

The committee formed at 8:00 am. SK Bobbie E. White, Grand Commander, kicked off the event at 8:30 am. The Drill Teams performed between 9:15 am and 11:45 am. The Grand Commander presented each Drill Team with a Certificate of Recognition. All of the teams looked very good, but the Class A performance of Palestine Commandery No. 17 was impressive. We are sure that the many spectators who came to watch the teams perform enjoyed the Event.

The committee met at 1:00 pm to review the Judging sheets and score the Drill Teams. The results of the 2025 Drill Competition will be announced Saturday during the 2025 Annual Conclave of the Grand Commandery of Missouri.

The committee thanks all of the Commanderies that floored a Drill Team this year. The Event was a resounding success. We are looking forward to more Drill Teams joining us for the 2026 Drill Competition Event scheduled for Saturday, April 11, 2026 in Columbia.

REPORT OF EDUCATION COMMITTEE

To the Grand Commandery of Knights Templar of the State of Missouri:

Sir Knights,

It has been a pleasure to serve SK Bobbie E. White, Right Eminent Grand Commander of the Grand Commandery of Knights Templar of the State of Missouri, as Chairman of the Education Committee. The Education Committee of the Grand Commandery has had a productive year. The following report outlines the Committee's activities during the Year of our Lord 2024-2025, Year of our Order 906-907.

Educational Articles

Members of the Grand Commandery's Education Committee produced a total of four articles for the Missouri York Rite Beacon - the online publication of the Grand Commandery, the Grand Council, and the Grand Chapter. While our goal was to produce one article per month, we averaged one per quarter. Given the very large amount of material included in the Missouri York Rite Beacon each month, the Committee believes this is appropriate.

Honor Commandery Award

The Grand Commandery's Education Committee was charged with revising and improving the Grand Commandery's Honor Commandery Award Form for this chivalric year. The Committee worked diligently to do so.

The first revisions, and perhaps most obvious, were to create four new sections - or categories - containing the various tasks or goals for which the applicant Commandery may earn points. These sections are as follows: **A.** Grand Commandery, **B.** Obligations of Knighthood, **C.** Ritual, **D.** Home Commandery.

Appropriately for the Education Committee, it is now possible to earn points toward the Honor Commandery Award for the presentation of chivalric education during a stated or special conclave. This addition to the Honor Commandery Award Form dovetails into the next section of this Committee Report.

Lastly, at the request of our Right Eminent Grand Commander, and with the agreement of the Education Committee, an Honor Commandery Award with Distinction was added for those Commanderies which earn over 1,000 points during the chivalric year. The Committee intends to monitor the specific number of points required to earn this award to ensure that it truly delineates those Commanderies that are excelling in Masonic Templary.

The Education Committee received the following Honor Commandery Award application forms from sixteen Commanderies:

- DeMolay 3 – SK Richard Townsend, Commander
- Hugh De Payens 4 – SK Douglas Reece, Commander
- Excalibur 5 – SK Kyle Schneider, Commander
- Liberty 6 – SK Larry Fred Walters, Commander
- Kansas City 10 – SK Connor Duncan Mac Cormick, Commander
- St Graal 12 – SK Russell A. Bradshaw, Commander
- Ascalon 16 – SK Joey Conley, Commander
- Palestine 17 – SK Christopher Wayne Organ, Commander
- St. John's 20 – SK James Horace Arnold, Commander
- Ely 22 – SK David Darrell Goring, Commander
- Lebanon 33 – SK Jackie Wayne Wells, Commander
- Oriental 35 – SK Steven D. Bright, Commander
- St. Elmo 43 – SK Jeff Boyce, Commander
- Cape **Girardeau** 55 – SK Christopher Allen Wehrenberg, Commander
- Rolla 59 – SK Gary R. Woodruff, Commander
- Poplar Bluff 67 – SK Douglas Chester Rose, Jr., Commander

These Commanderies submitted their applications in good form and in a timely manner. All sixteen of the Commanderies were found to have met the requirements. On behalf of the committee, I wish to

express our appreciation to these sixteen Commanderies for their participation in the Honor Commandery Award program.

Conclaves by Candlelight

On Monday, May 5, 2025, the Grand Commandery's Education Committee held its inaugural "Conclave by Candlelight" educational presentation during the regularly stated conclave of Liberty Commandery No. 6 at the Liberty Masonic Temple, 10 East Franklin Street, Liberty, MO.

Following the opening of Liberty Commandery, and a robust business meeting, an educational presentation was delivered by SK Budd C. Gilfillen, Eminent Aide-de-Camp for the Grand Commandery, titled "Three Tales of Darius: History, Apocrypha, and Ritual." Introductory remarks were given by myself, SK Ashley W. Young, Eminent Grand Standard Bearer and Chairman of the Education Committee. The evening concluded with remarks from our Right Eminent Grand Commander, SK Bobbie E. White. The inaugural "Conclave by Candlelight" coincided with Liberty Commandery's final stated conclave during SK White's tenure as our Grand Commander.

The Grand Commandery Education Committee would like to thank those Sir Knights who attended the inaugural "Conclave by Candlelight," and especially SK Larry F. Walters, Eminent Commander of Liberty Commandery, and his officers, for hosting this event. Thank you also to SK Jacob W. Thompson, Past Regional Grand Commander for Region Five of the Grand Commandery, whose "Lodges by Candlelight" across the jurisdiction have taken Masonic education to all corners of our State and inspired the creation of this program. Last, but certainly not least, appreciation is due our Right Eminent Grand Commander, SK White, who has heartily supported the creation and execution of this program during his term.

If your Commandery is interested in hosting a "Conclave by Candlelight" for further light in chivalric Freemasonry, please contact me via email at ashleywyong@mac.com.

Charter Retirement Ceremony

Finally, the Grand Commandery's Education Committee was charged with drafting a Charter Retirement Ceremony in the unfortunate event that a conclave of Sir Knights votes to consolidate or close their Commandery. An initial draft was created by SK Gilfillen, which was reviewed and edited by the Committee members, with assistance from our Grand Recorder, SK Roger D. Fleer, Right Eminent Past Grand Commander of the Grand Commandery, 2018-2019. This draft has since been finalized and the Committee anticipates it will be published on the "Grand York Rite of Missouri" website.

REPORT OF EDUCATIONAL FOUNDATION COMMITTEE

Summary Report

June 12, 2024 Through April 10, 2025

To the Grand Commandery of Knights Templar of the State of Missouri:

Sir Knights,

Your Educational Foundation has been active throughout the year. This summary will cover major highlights and provide general information as to the state of the Education Foundation.

Sir Knight Bobbie E. White, Right Eminent Grand Commander, appointed Sir Knight Steven Douglas Bright, Past Commander, Oriental Commandery No. 35, to serve a five-year term on the Educational Foundation. The Educational Foundation met on the 12th of June 2024 at 12 Noon: Voting Foundation members in attendance were Sir Knights Todd A. Schulze, Chairman 2025, Gregory J. Walker 2024, Matthew L. Quesenberry 2026, Michael S. Smith 2027, and Thomas C. Yunick 2028. The non-voting members in attendance were outgoing Treasurer for the Foundation, Sir Knight Russell S. Hanson, PGC, and incoming Secretary/Treasurer, Sir Knight Roger D. Fleer, PGC. Sir Knight Hanson will serve as Assistant to the Secretary/Treasurer for the 2024-2025 Grand Commandery year. At the conclusion of business, Committee Member Sir Knight Yunick voiced that he would stand for the position of Chairman for the 2024-2025 Grand Commandery year. A voice vote was taken, and Sir Knight Yunick was elected Chairman for the 2024-2025 Grand Commandery year.

It was decided that the Educational Foundation would attempt to have a Zoom meeting quarterly over the course of the 2024-2025 year That has not worked out as planned as it has been difficult to gather a voting quorum on a specific date and time. However, we have met three times through April 2025 and mostly discussed finances.

With the advice/consent of the Finance Committee, we agreed to set up a Money Market account with Charles Schwab Brokerage Firm in St. Louis, Missouri. The fund will be managed with a fee of 0.05%. The Committee agreed to the sum of \$200,000.00. This account is the "Seed Money" mentioned below.

Several years back, a sum of approximately \$178,000.00 was returned to Missouri by the Grand Encampment. The money was from annual donations of Missouri Sir Knights of the 1920's and 1930's. A "Restricted Use" amount of \$200,000.00 is invested with only the annual interest available for scholarship and budget expenses.

It is also of historical note that most of the money in the Educational Foundation account was a gift in 2019 from the "Dorothy Bush Estate" with a sum of \$830,609.08. This was followed with an additional sum of \$80,000.00 that is presumed to ALSO come from the Bush estate. To date, no restrictions have been found on the use of the money, except it was donated to the Educational Foundation for use as Scholarships.

At the stated 2024 June meeting fourteen (14) scholarship applications were given a final review and Seven (7) were selected for \$2,000.00 each. Their names and college attended are reflected on the "Recipients" page of the 2024 Annual Grand Encampment Report. All applicants were notified of the status of their application.

It has been a challenge to compile financial records that accurately reflect the year end status of the individual accounts. Our heartfelt thanks go to Sir Knight Russell Hanson, PGC, and Sir Knight Harold

Coots, PGC, for the Yeomen labor involved in sorting out the money. Progress has been made and the closing statements of the year 2025 should easily reflect the status of each of the current accounts. In addition to the Schwab Money Market account, a Schwab Brokerage account is also open, awaiting any transfer of funds, if desired. It is the recommendation of Chairman Yunick, that brokerage funds be mixed into a minimum of three funds with a separate checking account. Three brokerage funds should provide protection if one fails and give a wide range of investment opportunities.

A second brokerage account has been established with the Edward Jones Firm in Kirksville, Missouri. Sir Knights Kirby Cundiff, Ashley Young, and Michael Rohman are the assigned Trustees. The Edward Jones accounts will have a money market account available should we choose to utilize it. On March 27, 2025, the Committee directed the Secretary/Treasurer to transfer the sum of \$200,000.00 to the Edward Jones brokerage account.

Awaiting a review of the investments by the Committee and Financial Advisors, there are three (3) separate brokerage funds currently in use in Jefferson City. They will remain in place, past June 2025 until their investment structure and performance is reviewed by the Trusted Advisors, Investment Committee, and the Educational Foundation Committee unless advised to move them sooner.

As the 2024-2025 Chairman, it has been my goal to organize the Educational Foundation in a business manner with total transparency of assets and transactions available to all Missouri Sir Knights. I foresee structural changes that should improve money management and make the Foundation Scholarship Program visible to Missouri High Schools, Colleges, and Universities. The Committee is designing a "Point" grading system to evaluate the scholarship applications. It will continue to be a work in progress as the Committee gains skill in evaluating annual scholarship applications. There is currently a April 15th deadline for the receipt of applications. Several Sir Knights have questioned why the application is not open the entire year. A portion of that answer is that the Committee is, by current common agreement, limited to the use of gains in the investment portfolio, and that eighty percent (80%) of the gains may be used for scholarships. The remaining twenty percent (20%) may be utilized to pay Foundation expenses, and the remainder returned to the investment portfolio. The Committee's determination of the availability of funds for use each year is at twelve (12) Noon, on the stated date of the Annual Grand Commandery of Missouri Grand Session.

Be assured that the Educational Foundation money is as secure as today's brokerage markets can make it. There will be ups and downs but in the long term the accounts should continue to generate income. Each account requires two signatures to withdraw funds. Several of our younger Sir Knights (not of the Committee) have been tasked with the responsibility of controlling and managing the investment funds. As a last check and balance, your Grand Commander has the final word on any issue.

The Educational Foundation needs the use of a "Drop Box" where all written and financial communications are stored and available to be recalled by the Committee, or at a minimum, a "Read Only" by the Chair and Vice-Chair. Finance records and the e-mail system correspondence need to be in the archives. Older records can be invaluable when determining a path forward or where something went astray.

If you are seeking additional information on how the Educational Foundation is to be governed and regulated, please direct your attention to the Grand Encampment, "The Knights Templar Education Foundation Rules", Revised 12-31-2020. They are available online.

Thank you, Sir Knight Schulze, for your five years of service with the Educational Foundation. It has been a lot to add to your already deep involvement in so many aspects of our York Rite Bodies.

I thank the Committee for their service. I do understand that the learning curve and flow of information have been tasking to understand. We are many steps ahead of where we were when appointed. To me, it has been and continues to be a challenge. An additional "Thank You" to all the Sir Knights whose ears I have used in discussions of the methods to use in evaluating and awarding scholarships and to grow and protect the Educational Foundation assets. I have never purposely intended to offend any Sir Knight with repeated attempts to obtain information. The learning curve has been high for me, and I admit to frustrations, on seemed different viewpoints on the access to information, and agreement or understanding of the Committee's view of long-term goals and requirements. Progress has been made, and the Committee is looking forward to awarding several Scholarships this 2025-2026 Grand Commandery year.

An exact, Financial Statement of Educational Foundation Assets, is not available at this date for the 2024-2025 Templar Year. The records continue to be reviewed and updated as they become available. By Grand Encampment Regulation, the Educational Foundations finances, are based on a January 1st to December 31st basis. The Committee will have obtained all necessary documentation to report accurately at the 2025-2026 Grand Session. It was reported to the Grand Encampment that 2024 Investment Income was \$59,948.10.

REPORT OF EXAMINER COMMITTEE

To the Grand Commandery of Knights Templar of the State of Missouri:

Sir Knights,

In this Grand Commandery year, our financial records and files are finally in a place where we feel comfortable. Our funds have been accounted for and allocated to their proper place. This made accounting and budget forecasts much more transparent and easier to comprehend. The issue with the timely deposit of checks has been corrected, and proper procedures are being followed to continue this process. It is recommended that now these processes are in place, they be captured with written standard operating procedures so when an inevitable change occurs, we will not be starting from scratch.

It is recommended that moving forward there be annual or semi-annual meetings conducted to review our finance and practices. To facilitate and maximize the effectiveness of these meetings, documents, spreadsheets, etc. must be distributed ahead of time with directions on what to review and what to be prepared to discuss. An agenda should also be provided ahead of time.

Another suggestion, and this goes for all the York Rite, is the resumption of some in person, face to face meetings. With the onset of COVID, these were abandoned, and everything moved to Zoom. This is completely understandable, and Zoom is an excellent option for most of what we do. But as many are now discovering, there is also much that is missed. While Zoom calls can be effective, communication of ideas and information is much more of a challenge.

REPORT OF GRAND COMMANDER'S ADVISORY COUNCIL

To the Grand Commandery of Knights Templar of the State of Missouri:

Sir Knights,

We are pleased to report that in the 2024-2025 Grand Commandery year, the Committee passed on several rumors, opinions, suggestion, and "sage" advice to SK Bobby E. White, Grand Commander.

Our advice was passed to the Grand Commander anonymously. Please know that, if you choose, you will remain anonymous in the future when you bend the ear of a Past Grand Commander, or a Regional Officer. Your input matters, as this is your Grand Commandery. Remember the portion of an old verse, that reads, "For want of a nail the shoe was lost, for want of a shoe the horse was lost, for want of a horse the battle was lost." Your opinion is the "Nail" and it may seem small, but small is never insignificant.

At times the input was too late for action or consideration in the current year and was passed on to the Advancing Line Officers. Personally, I feel that all the upward information was well received. The biggest grumbling received was the Drill Competition Date, the cost of the Hotel Rooms for the Grand Session, followed by rumors about the current Line Officers. There were several questions, suggestions, opinions concerning Grand Commandery Finances, scheduling of Regional Conferences, Dress Codes, and lack of available dates for Commandery Festivals . Please continue to pass on your comments, suggestions and opinions. They may be acted upon in a not so distant future. Never say "No." Give the membership and Line Officers the reasons why it needs to be!

REPORT OF HOLY LAND PILGRIMAGE COMMITTEE

To the Grand Commandery of Knights Templar of the State of Missouri:

Sir Knights,

The 2025 trip was started too late to make the February departure. Both of our men have been notified and will advance to the 2026 trip without changing anything currently. We pray for the country and the region that it would be safe to visit the Holy Land. I have forms for any minister that would want to submit to begin working on a trip for 2027 from Missouri.

We had a meeting and reorganized our finances. Moving the money from a low Interest CD to a more aggressive Portfolio which should raise our return.

It's been a good year and we are looking forward to better times.

REPORT OF LAWS & REGULATIONS REVIEW COMMITTEE

To the Grand Commandery of Knights Templar of the State of Missouri:

Sir Knights,

Your committee is pleased to report that you will have the opportunity to vote on legislation that will affect the ability of your Grand Officers to represent your Missouri Grand Commandery at Triennials as required by Grand Encampment. Currently each Missouri Sir Knight is taxed twenty-five cents that is included in the Per-Capita payment. The legislation, if passed, will increase the amount to one dollar. As our numbers have decreased so has the funding.

The Triennial Registration Fee alone is over \$300.00. The qualified Grand Commandery Officers attending the 2024 Triennial at Salt Lake City each received \$79.52.

The South-Central Conference also has a Registration Fee in addition to travel expenses and lodging. Five of your Grand Commandery Officers are required to attend. Currently, there is no financial assistance available.

Additional legislation was submitted but did not meet the time and format requirements. In the 2025-2026 Grand Commandery year you may see resubmission of those proposals.

The committee appreciated your e-mails and other communication regarding legislation. You have been involved. Please do not consider this year's "No" as a final decision. Rewrite and resubmit your proposals.

REPORT OF PUBLICATIONS COMMITTEE

To the Grand Commandery of Knights Templar of the State of Missouri:

Sir Knights,

Your Publication Committee would like to thank Sir Knight Bobbie E. White, Right Eminent Grand Commander of the Grand Commandery of Knights Templar of the State of Missouri, 2024-2025, for his successful year and programs. Additionally, we would like to thank the craft for the opportunity to serve you this year. As our venture into the Beacon Magazine continues for the Grand York Rite of Missouri, it has come with favorable results from the Missouri craft and Freemasons worldwide. Just as a reminder, the Beacon Magazine began its publication right after our 2023 Grand Session and has continued to improve in its appearance and functionality over the past couple of years. We now have added hyperlinks to this publication. So, when you drag your mouse or finger over certain parts of the magazine, and click on those sections, you will be directed to additional information, via the internet. As this report is made, we have other ideas that will be appearing in future issues of your magazine. So, keep your eyes open on future issues.

Your magazine continues to bring in numerous authors, present a wide variety of articles, and has attempted to promote not only our Masonic Youth groups, but that of the different Masonic Bodies throughout the State of Missouri. From the support of our Grand Officers we have been able to add to the magazine the latest news and scholarship information available about the Royal Arch, Cryptic Masons, and the Knights Templar, along with the Allied Masonic Degrees and other appendant Masonic groups.

I am proud to say that the original concept of a quarterly publication has been discarded for a monthly publication. This is due to your interest, support, and wonderful articles that you have been sending this office. Your enthusiasm and support have ensured that your magazine will remain a monthly publication for years to come. Thank you my Brethren, Companions, and Sir Knights for your continued support and enthusiasm in your magazine. If anyone wishes to submit any articles and/or information to future issues, that material may be uploaded at:

<https://moyorkrite.org/missouri-york-rite-beacon-news-submission-form/>

Additionally, all past issues of this publication may be found on our website at:

REPORT OF REGIONAL YORK RITE CONFERENCE COMMITTEE

To the Grand Commandery of Knights Templar of the State of Missouri:

Sir Knights,

Each region successfully held a conference in which useful presentations were given. Things did not always go without a hitch. When a presenter did not show up at the Region 3 conference, Sir Knight

Jennings did a heroic job of filling in. I am beginning to seriously wonder how relevant these conferences are as most of the attendees are the old guard and it is the new Sir Knights who really need to attend them.

REPORT OF SOCIAL MEDIA/INTERNET COMMITTEE

To the Grand Commandery of Knights Templar of the State of Missouri:

Sir Knights,

Companions, the website as a communications tool and document sharing system continued to be stable this year. We did change hosting plans to provide for additional security and backups and switched to a newer, more flexible and lower-cost calendaring system.

We continue to add content such as Past Grand Officers, Information on Palmyra Chapter No. 2, updated information on our supported charities, added digital versions of Past Proceedings (and many more still to be scanned), built out Chapter, Council, and Commandery Education pages with downloadable books, and educational material, and added interactive maps to find local York Rite Bodies.

We encourage everyone to subscribe to the Grand York mailing lists so that timely event notices and updates can be shared with all. The subscription link can be found at:

<https://moyorkrite.org/join-the-mailing-list/>

The Events Calendar is open to everyone to post their events of import, Official Visits by Grand Officers, and especially degree work, all of which will be moderated and if approved by the committee members, posted usually in less than 24 hours. We will be adding a feature this year to allow RSVP's to specific events, and the ability for members to edit and correct the events they have posted.

I would direct everyone to the very useful forms and documents located in the Document Library. If you find something missing, let us know and we will bring it up to date and post it for everyone's use.

Our social media platform continues to grow in reach and content. We continue to encourage all Commanderies to send event information, pictures of newly dubbed Sir Knights and Order Teams, and events to share with everyone.

We continue to add interactive online forms to make the filing of reports, Honor Commandery Awards, Communications, Event requests, and Missouri Beacon submissions. We will continue to increase our ability to move away from paper forms to electronic communications. We are actively looking to add to the team and are searching for a new webmaster with skills in WordPress, Design, and Communication. If you are interested in helping, please reach out to the Sir Knight Donald MacCormick.

REPORT OF YOUTH ACTIVITIES COMMITTEE

To the Grand Commandery of Knights Templar of the State of Missouri:

Sir Knights,

This is an exciting time for the Missouri Grand York Rite and our Missouri Masonic Youth. The energy and excitement surrounding the desire to bring the Missouri Masonic Youth groups and the Missouri Grand York Rite bodies closer together is unparalleled.

2024-2025 Masonic Youth Convention, Grand Assembly & Grand Session

- Missouri DeMolay's 2025 Annual Convention was held in Cape Girardeau on the campus of Southeast Missouri State University Friday, May 23 - Monday, May 26.
- Missouri Rainbow's 2025 Grand Assembly was held on Friday, May 30 - Monday, June 2 at the Holiday Inn Executive Center in Columbia.
- Missouri Job's Daughters 2024 Grand Session was convened on Wednesday, June 19 - Sunday, June 23 at the Capitol Plaza Hotel in Jefferson City.

Companions and Sir Knights, during the respective Masonic Youth Annual and Grand Sessions, your leaders, MEC Michael L. Dodd, Grand High Priest of the Grand Chapter of Royal Arch Masons of the State of Missouri; MIC Matthew D. Ruth, Grand Master of the Grand Council of Cryptic Masons of the State of Missouri and Sir Knight Bobbie E. White, Right Eminent Grand Commander of the Grand Commandery of the State of Missouri represented you and the Grand York Rite in exemplary fashion.

The Grand York Rite is paving the way for the future of our Masonic Youth

One of the big questions presented to this Committee by your Grand York Rite leaders was, "How can we increase our presence and exposure within our Masonic Youth Groups?" As a result, this Committee has been coordinating actively and directly with the Masonic Youth Groups and with the Grand York Rite leaders concerning opportunities for organizational unique awards, presentations, programs, sponsorships, etc. We are excited about the future of the mutual relationship between the Grand York Rite and our Masonic Youth. As the Committee continues to meet and additional

conversations are coordinated, the Committee will be presenting opportunities to the Grand York Rite and Masonic Youth leaders.

**ANNUAL REPORT OF THE GRAND COMMANDER
2024-2025
Summary
Highlights**

I was told my summation should hit the highlights of my year. I'm not sure how to pick what should be considered a highlight as this year has been a fantastic journey from start to finish.

One true highlight of my year has been the privilege to stand beside two of the Finest Masons in Missouri. Matt, Mike, and I were not originally scheduled to serve this year together. We had been elected at different times and were talking to different people about what our year would be like and Fate (or God, I think they are one and the same) decided something different and decided we should be together. We went from Brothers and acquaintances to Brothers and true friends. SK and MEC Michael Dodd you are the Energizer Bunny of Freemasonry. I am always amazed at your passion and drive to accomplish wonderful goals for our fraternity. SK and MIC Matthew Ruth I continue to be amazed at your ability to plan, to dream, and to see a vision of where we need to go. I cannot thank you enough for allowing me to tag along on this journey with you. Even though we are in this together you two have taken the concept of "if it is to be it is up to me" and shown us how it works in real life. I will never forget you two.

Grand Master's Templar Crusade

On April 5, 2025, Oriental Commandery No. 35 sponsored the Grand Master's Templar Crusade at the historic Masonic Temple at 903 Harrison, Kansas City, MO. Throughout the day attendees were able to observe some excellent ritual provided by Sir Knights from across the State. The fellowship was superb, and I was truly honored to be able to Knight MWB Kevin M. Fuller, Grand Master of the Grand Lodge A.F. & A.M., who was a member of the class. It was a shining day for the Grand Commandery.

REPORT OF RITUAL COMMITTEE

To the Grand Commandery of Knights Templar of the State of Missouri:

Sir Knights,

It was an honor to serve Sir Knight Bobbie E. White, the Right Eminent Grand Commander and long time friend during his presiding year. Congratulations on a successful year and your leadership.

Strides were made in the way of getting the 5 - 8 Knight Ritual Opening to the Grand Encampment level, and even Sir Knight Ralph Cantrell is having his work reviewed by the Grand Encampment ritual committee. The Grand Commandery has been involved in Grand Encampment ritual since the late 1800s, and it appears that we still are.

The following are excerpts received from the South Central Department Commander, Sir Knight Bob Rolseth, REPGC.

Good morning, Sir,

"I wanted to touch base with you regarding the proposed Grand Commandery of Missouri's 5-man opening. I've had some discussions here recently, and I wanted to share some thoughts with you. I have read through the proposal, and I see nothing wrong with your proposal. And I would proceed with its use in Missouri, and in fact, I am going to suggest that it be used across our department."

And

"As to the Ritual submitted, Grand Encampment does not have any jurisdiction over the work & tactics, that is determined by each individual state. Grand Encampment has copyright protection

over the ritual itself, and although they have adopted the resolution to allow a 5-Man opening, they have not adopted a specific ritual to do so." [edited for punctuation errors and unnecessary topics removed.]

Bob Rolseth, South Central Department Commander

On April 5, 2025, at the beautiful Historic Kansas City Masonic Temple, we knighted MWB Kevin M. Fuller, Grand Master of the Grand Lodge of Ancient Free and Accepted Masons of the State of Missouri, and welcomed him into the valiant and magnanimous Order of the Temple. Sir Knights from around the state assembled to confer the Orders of Christian Masonic Knighthood on MWB Kevin and several others (numbers weren't made available at the time of writing) in magnificent form.

Keep pushing your Regional Grand Lecturers to give you more instruction on Tactics (Missouri Commandery ritual) in opening, closing and other aspects of ceremonies in your asylums.

Fraternally submitted,

SK Corey B. Huntsucker, Chairman
Assistant Grand Lecturers

SK Terry D. Coppotelli
